PLANNING YOUR ROUTE

The lines on the map above show the easiest way to travel between the destinations covered in the itinerary planner. Smaller roads connect most places though, so don't limit yourself to these routes.

Use the map above, our drive times and the individual destination pages (coming up) to work out your ideal itinerary.

Each destination page gives you a suggested itinerary and a range of options. The suggested itineraries we have shared will give you a quick introduction to that region, but you can spend longer, using the information we supply to further develop your plans.

We also include some sample itineraries for your North Island trip. These itineraries assume that you want to travel FAST. Add more time if you have it available or if a lot of the attractions in that location appeal.

You can also create your own route using the map above.
