Becoming a Digital Nomad Chris Backe, 2018-04-06 Presenting the 2019 edition, *Imagine living the lifestyle you want while making money and working anywhere in the world. Imagine enjoying the beaches in Thailand one day, then trying the best pizza in Italy the next. It sounds like a dream: travel anywhere you want, make money doing something you enjoy, and live life to the fullest. It's not a dream though: a growing number of digital nomads are leaving the 9 to 5 life and choosing to take control of their life. What is a digital nomad? A person who travels at will, lives where they want, and does their work digitally. They have no cubicle and no dress code. Digital nomads are young, old, male, female, single, married, have children, and are from almost every country on this planet. If you want to become a digital nomad, nothing can stop you. *Becoming a Digital Nomad* offers a proven, step-by-step guide to test and transition into the digital nomad lifestyle. It's one part travel guide and one part how-to. Steps build on each other in chronological order, and a dozen worksheets guide you with specific questions to answer. These are freely available to save and print offline or online, whatever works best for you.*

Step 1: Know yourself and what you want focuses on you, good reader. We have some work on doing understanding you, the person you see in the mirror.

Step 2: Clarify your desires and acknowledge limitations does two important things in gearing you up for your journey: *Nomadus Interruptus*, just a test, please, is an interim chapter dedicated to setting up a good test of the digital nomad lifestyle.

Step 3: Making money puts together a list of the many ways digital nomads can make money, along with some notes on how to manage your money across borders.

Step 4: Get affairs in order focuses on what needs to be done before leaving your country.

Step 5: Gear up and slim down focuses on what to pack and how to deal with the rest of your stuff, depending on your choices from earlier steps.

Step 6: The big move and settling in counts you down from your last few days at your old place to your first few days at your new place.

Step 7: Start enjoying your new life helps establish new habits, make new connections, and helps to make the lifestyle a sustainable one.

Step 8: Going home or making a new home for yourself anywhere you choose to go. Learn from dozens of
