Cyber Hygiene for the Digital Age: Building Resilient Habits for a Safer Online Life 2025 AUTHOR:-SUDHA RANI PUJARI, PREFACE In today's interconnected world, cybersecurity is no longer a luxury but a necessity. With our personal, professional, and financial lives increasingly conducted online, the risks associated with digital activities are more prevalent than ever. However, many individuals and organizations still overlook the importance of securing their digital assets, often assuming that cybersecurity is a concern for IT specialists alone. This book aims to challenge that belief and allow every reader to take control of their digital security. The idea for this book came from years of hands-on experience in the cybersecurity field, where I have witnessed the consequences of neglecting basic digital hygiene.

From simple password errors to inadequate protection of home networks the vulnerabilities people face is often preventable Throughout my career I have seen the damage caused by cyber attacks but I have also seen the power of active security measures in mitigating these risks This book is designed for individuals at every level of technical proficiency Whether you are just beginning to explore the world of cybersecurity or you have been in the field for years the aim is to provide practical accessible guidance that you can apply immediately Each chapter focuses on essential cybersecurity topics from everyday cyber hygiene to securing your home network and protecting children online Real world case studies and expert insights are included to help illustrate key points and highlight the impact of good or bad security practices I hope that by reading this book you will gain the knowledge to secure your digital world and the confidence to implement these practices in your everyday life Cybersecurity is not just about complex technical defenses it is about making wise decisions in the face of everyday digital threats The journey to better digital security begins with understanding the risks and taking small deliberate steps to mitigate them Whether securing your personal devices or protecting your business the practices shared here can help create a safer digital environment for you and your loved ones
