David Jon Peckinpaugh

25 To Life:

25 To Life Waulee Evans, 2023-10-23 The book 25 to Life is based on Waulee Evans's twenty five years as a corrections officer in the Department of Corrections and how he viewed it Also he will show you how jail affects both the inmate and the officer almost in the same way and everything that can happen to an inmate can happen to an officer in jail The minute you walk through the doors and down those halls you could very well be the next recipient of some unpleasant attention or a life changing situation Nobody in jail is immune from violence disrespect or being injured The officer is in just as much danger as the incarcerated person 25 TO LIFE #1 Eriq LaSalle, Doug Wagner, 2015-11-18 In a matter of weeks three African

American police officers have been publicly and brutally murdered in the state of Virginia The pressure is on law enforcement officials to stop the viciously calculated killers and to do it quickly An elite yet experimental F B I unit formed specifically to investigate high profile crimes is called in to head the investigation Under the leadership of Special Agent Gabriel Santana this F B I team matches its investigators with hardened criminals who are currently incarcerated for having committed crimes similar in nature to the case they are trying to solve In this particular instance it means working with a racist militia leader serving a life sentence a man that would rather help the murderers than see the killing spree stop 25 TO LIFE is like an edgy version of 48 HOURS and reminiscent of SILENCE OF THE LAMBS a gripping crime drama brought to you by the writing team of Eriq LaSalle and Doug Wagner and brilliantly illustrated by Tony Shasteen 25 TO LIFE Sometimes enforcing the law is CRIMINAL

Naked Guide To Life And Death David Jon Peckinpugh, 2002-08-18 How many ways are there to approach life Who is trying to get you to buy into their view of the world And what do they have to gain by convincing you they are right In his book Naked Guide To Life And Death author David Jon Peckinpugh seeks to unmask the attempts to convince us that things are a certain way according to how the so called experts see the world often resulting in a far more narrow and limited perspective than one might initially suppose His main thesis is that expertise of all kinds can result in our being seduced into knowing something as being so when it in fact is not nearly so evident as the experts tend to make it seem In throwing off the veil of religion and science psychology and philosophy consumerism and commercialism Mr Peckinpugh performs an endearing service on behalf of us all humanity Suggesting that beyond the often contracted and tight spaces of expertise hence extremism there are wide open spaces still inviting to those who dare to entertain the wisdom

Gesenius's Hebrew and Chaldee Lexicon to the Old Testament Scriptures Wilhelm Gesenius,1800 *From Death to Life* Randall D. Chesnutt,1995-05-01 This monograph the first in English on any aspect of Joseph and Aseneth examines Aseneth s conversion as narrated in this important but neglected apocryphal Jewish romance An extensive history of research on Joseph and Aseneth and an analysis of key issues such as text original language character provenance date and genre precede and inform the study of conversion The story of Aseneth s conversion has too often been understood on the basis of premature and superficial comparisons with other paradigms of conversion and initiation in the Hellenistic world As a corrective Chesnutt assigns priority to descriptive over comparative analysis He draws comparisons and contrasts with other models of conversion and initiation only after he has carefully examined Aseneth s conversion in its own right within the literary context of Joseph and Aseneth and the social context which the document itself reflects The attention not only to conversion but also to much broader social and religious dimensions of Judaism in antiquity makes this book important for specialists in Christian origins Greco Roman religions women s studies and patristics as well as the history of Judaism
