20 KINDS OF LOVE THAT GOD WANTS Marilou Francoise Benell,2013-11-27 In the beginning was the WORD The WORD was with GOD And the WORD was GOD GOD IS LOVE 1 John 7 12 7 Dear friends let us love one another for love comes from God Everyone who loves has been born of God and knows God 8 Whoever does not love does not know God because God is love 9 This is how God showed his love among us He sent his one and only Son into the world that we might live through him 10 This is love not that we loved God but that he loved us and sent his Son as an atoning sacrifice for our sins 11 Dear friends since God so loved us we also ought to love one another 12 No one has ever seen God but if we love one another God lives in us and his love is made complete in us **The Nature of Love, Volume 3** Irving Singer,2009-02-27 The final volume of Singer s trilogy discusses ideas about love in the work of writers ranging from Kierkegaard Nietzsche and Tolstoy to Freud Proust D H Lawrence Shaw and others in the contemporary world Irving Singer s trilogy The Nature of Love has been called majestic New York Times Book Review monumental Boston Globe one of the major works of philosophy in our century Nous wise and magisterial Times Literary Supplement and a masterpiece of critical thinking that is a timely eloquent and scrupulous account of what after all still makes the world go round Christian Science Monitor In the third volume Singer examines the pervasive dialectic between optimistic idealism and pessimistic realism in modern thinking about the nature of love He begins by discussing anti Romantic Romantics focusing on Kierkegaard Nietzsche and Tolstoy influential nineteenth century thinkers whose views illustrate much of the ambiguity and self contradiction that permeate thinking about love in the last hundred years He offers detailed studies of Freud Proust Shaw D H Lawrence and Santayana and he maps the ideas about love in Continental existentialism particularly those of Sartre and de Beauvoir Singer finally envisages a future of cooperation between pluralistic humanists and empirical scientists This last volume of Singer s trilogy does not pretend to offer the final word on the subject any more than do most of the philosophers he discusses but his masterful work can take its place beside their earlier investigations into these vast and complex questions **1, 2, & 3 John** Livingstone,2021-03-02 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary Each volume in the series provides in depth explanation background and application for every verse in the text Perfect for sermon preparation and lesson planning this one of a kind reference provides excellent quotes and a bibliography for additional commentary Additional features include Charts diagrams and maps on the same page as their related verses Quotes from various versions such as the NIV NRSV and NLT Key information graphically highlighted **The Passion of Love in the Summa Theologiae of Thomas Aquinas** Daniel Joseph Gordon,2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly

scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers

**Two Kinds of Love** Tuomo Mannermaa, Published in Finland in 1983 Two Kinds of Love is the second of Tuomo Mannermaa's provocative books offering a distinctly different interpretation of Martin Luther's theology In Two Kinds of Love Mannermaa unfolds Luther's understanding of love as the key to the reformer's theology of grace Human love orients toward that which is already good and beautiful and as such comes into being only through the prestige and glory of the loved one In contrast God's love is a pure gift of grace which makes possible our love for God and for one another

**3 Steps to Awakening** Osho, 2018-01-10 Waking up or awakening means that the dream is over the dream of unconsciousness we all spend most of our lives in often a life of tensions anguish feeling unfulfilled and running after illusions which are just substitutes of what we are really looking for This little book is actually a big book containing Osho's entire teaching from an early period of his public life and teachings He takes us through three steps on the path to awakening steps to help us to get out of our conditioning our limitations and frustrations There are only three steps freedom of consciousness simplicity of mind and emptiness of mind For freedom of thought for liberation of thought and for the awakening of intelligence the first thing the first awareness that is needed is No thought is mine No thought is mine While we read this book Osho takes us through this experience of letting go of identification allows us to get a glimpse what a life of awakening can be
