30 Days to a More Spiritual Life Shana Aborn,2001-01-02 These days it seems that more and more people seek a satisfaction in their lives that goes beyond having a successful career a comfortable lifestyle and access to the latest high tech gadgets and conveniences

For the answers they can't find anywhere else they look to the spiritual world. But most have never been touched by an angel and few have the patience for sweat lodges, the stamina to climb the Himalayas or the fashion sense to wear crystals. It's one thing to draw inspiration from the books in the Chicken Soup for the Soul series but quite another to become a spiritual person through one's own deeds. For these interested yet wary people comes the perfectly accessible program of 30 Days to a More Spiritual Life. This simple guidebook is designed to help readers find personal, comprehensible ways to tap into their spirituality in every aspect of daily life. Growing closer to God or whatever Higher Power means communicating not only through prayer and meditation but also through understanding and appreciating one's self and one's world. 30 Days to a More Spiritual Life guides readers toward creating holy moments in the day and discovering their spiritual sides in interactions with others in conducting business and even in expressing love. Based on Shana Aborn's very popular article on the same subject for Ladies Home Journal, 30 Days will incorporate personal anecdotes from the men and women who have benefited from the 30 Day program. This plan will have people of all faiths, backgrounds and experiences on the road to serenity, greater well-being and renewed sense of purpose right from the first page.

30 Days to a More Powerful Business Vocabulary Dan Strutzel, 2020-09-30 A LEARNING EXPERIENCE THAT CAN CHANGE YOUR LIFE FOREVER BRIAN TRACY The author of the best-selling 30 Days to a More Powerful Vocabulary Dan Strutzel now puts his focus on communicating successfully in the business world. Business is just like any sector or topic with its own language, customs, codes and terminologies. Different aspects of business can have their own distinctive terminology which can also overlap. In 30 Days to a More Powerful Business Vocabulary Dan presents over 500 words and short expressions from a variety of different business categories. Each section introduces approximately 25 words. Each of the words are initially presented in a story or conversation so you can experience the correct context in which the words are used. Dan then discusses each word or phrase and its definition. Finally he reinforces the word and its meaning with another example in a sentence. And of course Dan has you make all of the words a part of your permanent vocabulary by using his 30 day learning program based on well-known super-learning principles. There are four sections on banking and finance, four on marketing and four on negotiation. Other sections focus on sales, entrepreneurship, human resources, business leadership and an all-new section on remote learning. The book's intention is to be entertaining, informative and inspiring. As the world changes, language changes with it and both are changing very fast. With 30 Days to a More Powerful Business Vocabulary you'll keep pace with those changes and watch your career benefit as a result.
