#### **4 Licensing Update:**

*Licensing Update 2017 Edition* Battersby, Grimes, 2017-04-27 *Licensing Update 2017* is the definitive one volume handbook covering the year's most significant cases and developments in licensing. It identifies critical trends that licensing professionals and practitioners must understand thoroughly in this rapidly evolving area. Up to date incisive analytical and essential this valuable manual helps you keep up with the explosive pace of licensing with guidance from licensing experts in their area of specialty. You'll find in depth insights and valuable analysis on recent developments and important trends of licensing issues from leading practitioners who are experts in their field. *Licensing Update 2017* is organized as a handy quick reference to help you save time in structuring stronger agreements to protect your licensing interest. You'll get extensive coverage of developments in audit and accounting practices, tax considerations, antitrust concerns, and many of the bottom line issues that you need to address to ensure day to day profitability of your license agreements.

**Licensing Update 2020 Edition** Battersby, Grimes, 2020-04-01 The *Licensing Update* covers the year's most significant cases and developments in licensing. The annual update identifies critical trends that licensing professionals and practitioners must understand thoroughly in this rapidly evolving area and provides guidance from licensing experts in a variety of areas of specialty. Highlights of the 2020 Edition include fully updated chapters in all of the major licensing topic areas. Updated listing of the top 150 licensors for 2020. See 1 02 A new section discussing licensee standing to sue and jurisdiction over a licensor. See 2 04 A completely updated section examining the year in review concerning copyright licensing. See 3 02 A total rework of the patent licensing chapter to include such topics as licensing of standard essential patents, controlling where patents are challenged, how explicit language is needed on whether sublicenses survive termination of the primary license, and patent licensing language interpretation. See Chapter 4 In international licensing issues a critical look at jurisdictions such as Russia, Canada, and the European Union. See Chapter 7 New sections discussing trends in licensing especially with respect to blockchain and IP enforcement. See Chapter 9 The bankruptcy chapter has been completely rewritten to discuss the *Mission Products* case. See Chapter 11 Note Online subscriptions are for three month periods.
