5 Most Common Problems In Business:

Prospects and Challenges of Free Trade Agreements Doren Chadee, Banjo Roxas, Tim Rogmans, 2014-11-26 This book assesses the effectiveness of free trade agreements FTAs in unlocking international business opportunities in member states of the Gulf Cooperation Council GCC It takes an institutional perspective in explaining the existence and effects of non tariff barriers and how FTAs can address these barriers to attract foreign investors Impact of Crime on Small Business, 1969-[1971]: May 21, 22, 23, and July 22, 1969 United States. Congress. Senate. Select Committee on Small Business, 1969

Conflict-business Dynamics in the Democratic Republic of Congo Raymond Gilpin, 2009 The Democratic Republic of Congo DRC has enormous economic potential thanks to its rich mineral deposits and vast tracts of arable land Historically these resources have been exploited by predatory leaders and a host of subregional actors The time is now ripe for DRC to put years of war and economic underdevelopment behind it The business community has an important part to play in promoting sustainable peace in the DRC Business communities in Bukavu and Lubumbashi have managed to remain profitable in very trying years following the signing of the 1999 Lusaka peace accord by showing great resilience and versatility primarily outside formal channels Congolese businesses face serious obstacles including poor infrastructure high taxes extortion and market distortions However respondents expressed relatively little concern about insecurity and violence suggesting that these costs have been internalized or that other obstacles impose much greater costs DRC businesses neither want nor expect handouts Respondents would prefer assistance in removing barriers to trade improving infrastructure and reducing corruption Respondents are broadly optimistic about the future and their economic prospects and have a strong sense of being stakeholders in shaping society This bodes well for the future of the DRC provided public policy can harness this energy and not impede it Impact of Crime on Small Business, 1969-[1971] United States. Congress. Senate.
