Again? Andrew G. Marshall, 2016-03 There are few things in life more traumatic than discovering that your partner is having an affair. You are not only coping with the pain and anger but also the sense that your partner is a stranger. How could someone you love and thought that you knew treat you like this? How can you ever trust your partner again? Don't panic. Millions of ordinary men and women have trodden the same path and come out the other end with not only their love restored but a significantly stronger and better relationship. Whether you are the discoverer of the affair or whether you were discovered, Marshall offers guidance and support and explains the seven stages that couples move through from discovery to recovery. What makes people more vulnerable to affairs? The eight types of infidelity and how understanding your partner's affair is key to deciding whether you should stay or go. How to stop your imagination running wild and your brain from going into meltdown. Why some couples emerge stronger and why others get derailed from the recovery process. With over thirty years' experience as a marital therapist, Marshall draws on hundreds of case studies and provides practical, compassionate and sensible advice to keep your relationship alive. As he says, 'It might sound strange but you can turn this crisis from the worst thing that has happened to your relationship into one of the best.'

Crazy Relationships Alan Elangovan, 2019-05-21 When one partner is unfaithful to the other, it can seem nearly impossible to repair the damage that has been done. But what do you do if you suspect your partner is cheating on you on an emotional level or worse? Cheating does not happen in a vacuum and the signs that you may be a victim are usually right in front of you. In this guide to spotting and responding to infidelity, Elangovan Alan examines topics such as: What constitutes cheating in today's world? How do you bring more intimacy into your relationship? What signs should you look out for to spot an unfaithful partner? Why flirting can quickly escalate into a physical relationship? The author also examines how to reduce the chances that you'll be cheated on in the first place, why men and women cheat and ways you can respond when confronted with the ultimate betrayal. You are not alone in wondering whether you've been cheated on. Put your suspicions to rest and enjoy better relationships with the steps and insights in this guide.
