Cartwright, Mark. "Slavery in the Roman World." *World History Encyclopedia*. Last modified November 01, 2013. <https://www.worldhistory.org/article/629/slavery-in-the-roman-world/>.

Mark Cartwright's article "Slavery in the Roman World" describes that slavery was so commonplace in the civilizations of ancient Rome that a slave would become nearly invisible due to how embedded slavery was in the Roman culture. Commonly linked to the mythos of the Greeks, certain powers being dominant over others led the Romans to have this inequality of life and freedom. The mindset even went as far as to say that freedom for many people was only possible through the enslavement of others and, as such, was not considered evil or criminal. The losers of battles, as well as their offspring, often being thrown into a life of servitude. Many of these slaves were supplied through piracy, trade, and brigandage. Slave markets proliferated as the use of slaves, and the need for things such as road building or other infrastructure increased with the Roman population. Often times in the large markets, slave-selling businesses were at their peak, parading slaves with signs around them for advertisement. Slaves were at the bottom of the pyramid, with freed criminals having more rights than them. They were more like property than people and were rarely allowed any rights. Freedom was often looked at as more of a privilege than a right. The distribution of slaves differed between social classes, as while a businessman may own two to five slaves, the greatest of the pyramid could have owned
