At Home Gore Vidal, 1988 **At Home** Edgar Box, 1988 *Gore Vidal* Jay Parini, 1992 Although he is one of America's most admired and prolific writers Gore Vidal has been steadfastly ignored by many critics His radical polemics and undisguised contempt have hardly endeared him to the critical establishment Now comes the first collection of critical essays on this important American writer Includes an interview with Vidal **Gore Vidal** Fred Kaplan, 2013-04-23 This fascinating biography of an iconic American author and public intellectual is so full of incident and celebrity a pageant of entertaining stories The Atlanta Journal Constitution Few writers of recent memory have distinguished themselves in so many fields and so consummately as Gore Vidal A prolific novelist Vidal also wrote for film and theater and became a classic essayist of his own time delivering prescient analyses of American society politics and culture Known for his rapier wit and intelligence Vidal moved with ease among the cultural elite his grandfather was a senator he was intimate with the Kennedys and one of his best friends was Tennessee Williams For this definitive biography Fred Kaplan was given access to Vidal's papers and letters The result is an insightful and entertaining portrait of an exceptional and mercurial writer Gore Vidal S. T. Joshi, 2007 This comprehensive bibliography of Gore Vidal charts his career and covers the span of his sixty years of writing from his first novel Williwaw to his 2006 memoir Point to Point Navigation *Encyclopedia of the Essay* Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Social Problems** Anna Leon-Guerrero, 2015-06-18 Empower your students to become part of the solution With a clear and upbeat voice author Anna Leon Guerrero's thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution The Fifth Edition of Social Problems Community Policy and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope The extra emphasis on social action and movements is a real strength I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then forget about it Todd Michael Callais University of Cincinnati Blue Ash I Told You So: Gore Vidal Talks Politics Gore Vidal, 2013-04-01 I exist to say No that isn't the way it is or What you believe to be true is not true for the following reasons I am a master of the obvious I mean if there's a hole in the road I will viciously outrageously

say there s a hole in the road and if you don t fill it in you ll break the axle of your car One is not loved for being helpful Gore Vidal one of America s foremost essayists screenwriters and novelists died July 31 2012 He was in addition a terrific conversationalist Dick Cavett once described him as the best talker since Oscar Wilde And Vidal was never more eloquent or caustic than when let loose on his favorite topic the history and politics of the United States This book is made up from four interviews conducted with his long time interlocutor the writer and radio host Jon Wiener in which Vidal grapples with matters evidently close to his heart the history of the American Empire the rise of the National Security State and his own life in politics both as a commentator and candidate The interviews cover a twenty year span from 1988 to 2008 when Vidal was at the height of his powers His extraordinary facility for developing an argument tracing connections between past and present and drawing on an encyclopedic knowledge of America s place in the world are all on full display And of course it being Gore Vidal an ample sprinkling of gloriously acerbic one liners is also provided **The Invention of Heterosexuality** Jonathan Ned Katz,2024-05-31 Heterosexuality assumed to denote a universal sexual and cultural norm has been largely exempt from critical scrutiny In this boldly original work Jonathan Ned Katz challenges the common notion that the distinction between heterosexuality and homosexuality has been a timeless one Building on the history of medical terminology he reveals that as late as 1923 the term heterosexuality referred to a morbid sexual passion and that its current usage emerged to legitimate men and women having sex for pleasure Drawing on the works of Sigmund Freud James Baldwin Betty Friedan and Michel Foucault The Invention of Heterosexuality considers the effects of heterosexuality s recently forged primacy on both scientific literature and popular culture Lively and provocative Carol Tavris New York Times Book Review A valuable primer misses no significant twists in sexual politics Gary Indiana Village Voice Literary Supplement One of the most important if not outright subversive works to emerge from gay and lesbian studies in years Mark Thompson The Advocate Society on the Run W. Peters,2016-09-16 A study of the United States and its political culture The author contends that democracy exists at the level of political institutions and processes in the US as well as in its private sector
