Atlantic Odybey:

Slavery's Metropolis Rashauna Johnson, 2016-11-07 New Orleans is an iconic city which was once located at the crossroads of early America and the Atlantic World New Orleans became a major American metropolis as its slave population exploded in the early nineteenth century slaves made up one third of the urban population In contrast to our typical understanding of rural localized isolated bondage in the emergent Deep South daily experiences of slavery in New Orleans were global interconnected and transient Slavery s Metropolis uses slave circulations through New Orleans between 1791 and 1825 to map the social and cultural history of enslaved men and women and the rapidly shifting city nation and world in which they lived Investigating emigration from the Caribbean to Louisiana during the Haitian Revolution commodity flows across urban rural divides multiracial amusement places the local jail and freedom seeking migrations to Trinidad following the War of 1812 it remaps the history of slavery in modern urban society The New World History Ross E. Dunn, Laura J. Mitchell, Kerry Ward, 2016-08-23 The New World History is a comprehensive volume of essays selected to enrich world history teaching and scholarship in this rapidly expanding field The forty four articles in this book take stock of the history evolving literature and current trajectories of new world history These essays together with the editors introductions to thematic chapters encourage educators and students to reflect critically on the development of the field and to explore concepts approaches and insights valuable to their own work The selections are organized in ten chapters that survey the history of the movement the seminal ideas of founding thinkers and today s practitioners changing concepts of world historical space and time comparative methods environmental history the big history movement globalization debates over the meaning of Western power and ongoing questions about the intellectual premises and assumptions that have shaped the field **Atlantic Odyssey** Michael Thwaites, 1999 Free Communities of Color and the Revolutionary Caribbean Robert D. Taber, Charlton W. Yingling, 2020-01-24 The tumult of the Age of Atlantic Revolutions provided new opportunities for free communities of color in the Caribbean yet the fact that much scholarship places an emphasis on a few remarkable individuals who pursued their freedom and respectability in a high profile manner can mask as much as it reveals Scholarship on these individuals focuses on themes of mobility and resilience and can overlook more subversive motives underrepresent individuals who remained in communities and elide efforts by some to benefit from racial hierarchies In these free communities displays of social cultural and symbolic capitals often reinforced systemic continuity and complicated revolutionary era tensions among the long free enslaved and recently freed This book contains seven fascinating studies which examine Haiti Caracas Cartagena Charleston Jamaica France the Netherlands Antilles and the Swedish Caribbean They explore how free communities of color deployed religion literature politics fashion the press history and the law in the Atlantic to defend their status and at times define themselves against more marginalized groups in a rapidly changing world This volume demonstrates that problems of belonging difference and hierarchy were central to the operation of Caribbean

colonies Without recalibrating scholarship to focus on this we risk underappreciating how the varied motivations and ambitions of free people of color shaped the decline of empires and the formation of new states This book was originally published as a special issue of *Atlantic Studies* The Sea Peter N. Miller, 2013-04-16 A unique volume that addresses how a thalassographic frame opens up new and important questions for the study of history *Gods of the Mississippi* Michael Pasquier, 2013-02-27 From the colonial period to the present the Mississippi River has impacted religious communities from Minnesota to the Gulf of Mexico Exploring the religious landscape along the 2 530 miles of the largest river system in North America the essays in *Gods of the Mississippi* make a compelling case for American religion in motion not just from east to west but also from north to south With discussion of topics such as the religions of the Black Atlantic religion and empire antebellum religious movements the Mormons at Nauvoo black religion in the delta Catholicism in the Deep South and Johnny Cash and religion this volume contributes to a richer understanding of this diverse dynamic and fluid religious world

Women and Migration(s) II Kalia Brooks, Cheryl Finley, Ellyn Toscano, Deborah Willis, 2022-11-14 *Women and Migration s II* draws together contributions from scholars and artists showcasing the breadth of intersectional experiences of migration from diaspora to internal displacement Building on conversations initiated in *Women and Migration Responses in Art and History* this edited volume features a range of written styles from memoir to artists statements to journalistic and critical essays The collection shows how women s experiences of migration have been articulated through art film poetry and even food This varied approach aims to aid understanding of the lived experiences of home loss family belonging isolation borders and identity issues salient both in experiences of migration and in the epochal times in which we find ourselves today These are stories of trauma and fear but also stories of the strength perseverance hope and even joy of women surviving their own moments of disorientation disenfranchisement and dislocation This collection engages with current issues in an effort to deepen understanding encourage ongoing reflection and build a more just future It will appeal to artists and scholars of the humanities social sciences and public policy as well as general readers with an interest in women s experiences of migration
