The State of the World's Refugees, 2000 Mark Cutts, Office of the United Nations High Commissioner for Refugees, 2000 Includes statistics *Refugees Worldwide* Doreen Elliott, Uma A. Segal, 2012-08-03 Utilizing international perspectives this unprecedented collection of essays from leading authorities on refugee studies spotlights the realities and challenges of the global refugee population With increasing changes in the socio political climate of the world as well as with the rising numbers of natural disasters people of all ethnicities and nationalities are frequently forced from their homes and their homelands While there is a substantial body of work that addresses refugee policies post traumatic stress disorder and other specific issues there have been few attempts to understand refugee health or comprehend overall refugee adaptation until now This is the first work to address refugee issues worldwide addressing the psychological health human rights political public policy law economic social and personal aspects of this universal problem *Refugees Worldwide* also includes examples of first person refugee stories from around the world eye opening information not available in any other work Drawing on the expertise of myriad international researchers theoreticians and practitioners from representative nations around the world this four volume set effectively speaks to a number of refugee issues from a truly global perspective *The World's Population* Fred M. Shelley, 2014-12-16 This one volume encyclopedia examines key topics major world players and imminent problems pertaining to the world's ever growing population According to the United Nations the population of our planet reached 7 billion people in 2011 What areas of the world have the most people What measures if any are in place to control the population Why is Europe's population shrinking while the rest of the world is growing This eye opening encyclopedia answers questions like these by examining significant issues and topics relating to the population and exploring profiles of the most populated countries and cities of the world More than 100 alphabetically arranged entries focus on such topics as census demography megacity overpopulation and urban sprawl Author Fred M Shelley an accomplished academic in the field of environmental sustainability reveals the steps taken by major cities such as Rio de Janeiro Paris Tokyo Beijing Mexico City Seoul Manila and New Delhi in handling their population and what is being done in China and other countries to prevent overcrowding The text includes a discussion of how factors like migration patterns war and disease impact population change This comprehensive encyclopedia also includes primary document excerpts from court cases legislation and political speeches relating to population issues **Reforming the Common European Asylum System** Vincent Chetail, Philippe De Bruycker, Francesco Maiani, 2016-02-15 This book edited by Vincent Chetail Philippe De Bruycker and Francesco Maiani is aimed at analysing the recent changes of the Common European Asylum System the progress achieved and the remaining flaws The overall objective and key added value of this volume are to provide a comprehensive and critical account of the recast instruments governing asylum law and policy in the European Union This book is the outcome of the 7th Congress of the Academic Network for Legal Studies on Immigration and Asylum in Europe held in Brussels in 2014 Contributors are

Hemme Battjes C line Bauloz Ulrike Brandl Vincent Chetail Cathryn Costello Philippe De Bruycker Madeline Garlick Elspeth Guild Emily Hancox Lyra Jakuleviciene Francesco Maiani Barbara Miko ajczyk G raldine Ruiz Evangelia Lilian Tsourdi Patricia Van De Peer and Jens Vedsted Hansen The Essential Science Fiction Television Reader J.P. Telotte, 2008-05-02 A richly detailed and critically penetrating overview from the plucky adventures of Captain Video to the postmodern paradoxes of The X Files and Lost Rob Latham coeditor of Science Fiction Studies Exploring such hits as The Twilight Zone Star Trek Battlestar Galactica and Lost among others The Essential Science Fiction Television Reader illuminates the history narrative approaches and themes of the genre The book discusses science fiction television from its early years when shows attempted to recreate the allure of science fiction cinema to its current status as a sophisticated genre with a popularity all its own J P Telotte has assembled a wide ranging volume rich in theoretical scholarship yet fully accessible to science fiction fans The book supplies readers with valuable historical context analyses of essential science fiction series and an understanding of the key issues in science fiction television *State of the World's Minorities and Indigenous Peoples 2012* Beth Walker, 2012-06-28 Natural resource development projects such as logging and dams oil and mineral extraction and large scale agriculture have been successful in generating vast revenues across the globe But at what cost to minorities and indigenous peoples In its flagship annual publication State of the World s Minorities and Indigenous Peoples 2012 MRG documents hundreds of case studies about marginalized groups who have been adversely affected by exploitation of the resources found on or under their ancestral lands It also considers land rights around the world **State of the World's Minorities and Indigenous Peoples 2011** Joanna Hoare, 2011-07-06 In the year that saw the establishment of UN Women the new United Nations entity for gender equality and women s empowerment minority and indigenous women continued to face violence discrimination and marginalization stemming both from their identity as women and as members of disadvantaged minority groups In Latin America despite the election of women as heads of state in several countries African descendant and indigenous women remain virtually invisible in public and political life They are also the population group that has borne the brunt of armed conflict in the region subjected to rape and sexual violence As elsewhere they have little hope of redress against those who assaulted them In Europe and Oceania migrant women face economic and social marginalization and are often unable to access support services because of their immigration status leaving them trapped in abusive relationships In 2010 women belonging to Muslim minorities in the global North choosing to wear the face veil also faced increasing pressure with bans under discussion in many countries In the Middle East and Africa minority and indigenous women continue to be subjected to religious and customary legal systems that deny them their rights while Iraqi refugee women many of whom belong to religious minorities elsewhere in the Middle East are increasingly vulnerable to trafficking and sexual exploitation In Asia sexual violence against women has again been used as a weapon against minority women while land seizures are resulting in further economic marginalization of indigenous groups This year s edition of State

of the World's Minorities and Indigenous Peoples presents an overview of the situation of minority and indigenous women today and includes Discussions of gender based violence and armed conflict including the violence that indigenous and minority women experience within their own communities and the difficulties that they face in accessing justice and support from outside Consideration of the lack of progress made towards achieving the Millennium Development Goals for minority and indigenous women with special focus on reproductive rights and maternal mortality Interviews and special reports on trafficking intersectional discrimination land seizures and women's political representation Overviews of the human rights situation of minorities and indigenous peoples in every major world region Peoples Under Threat 2011 MRG's unique statistical analysis and ranking of countries An invaluable reference for policy makers academics journalists and everyone who is interested in the human rights situation of minorities and indigenous peoples around the world

State of the World's Cities 2010/11 Un-Habitat, 2010-08-12 The world's urban population now exceeds the world's rural population What does this mean for the state of our cities given the strain this global demographic shift is placing upon current urban infrastructures Following on from previous State of the World's Cities reports this edition uses the framework of The Urban Divide to analyse the complex social political economic and cultural dynamics of urban environments In particular the book focuses on the concept of the right to the city and ways in which many urban dwellers are excluded from the advantages of city life using the framework to explore links among poverty inequality slum formation and economic growth The volume will be essential reading for all professionals and policymakers in the field as well as a valuable resource for researchers and students in all aspects of urban development Published with UN Habitat

State of the World's Minorities and Indigenous Peoples 2014 Peter Grant, 2014-08-31 Across the world minorities and indigenous peoples are disproportionately exposed to hatred From intimidation and verbal abuse to targeted violence and mass killing this hatred often reflects and reinforces existing patterns of exclusion The impacts also extend beyond the immediate effects on individual victims to affect entire communities in the process further marginalizing them from basic services participation and other rights This year's edition of State of the World's Minorities and Indigenous Peoples highlights how hate speech and hate crime though frequently unreported or unacknowledged continue to impact on every aspect of their lives The volume also documents many of the initiatives being taken to promote positive change and the different ways that governments civil society and communities can strengthen protections for minorities and indigenous peoples An exploration of key issues such as hate crime and hate speech as well as ways to counter their prevalence The dynamics of targeted attacks and hate speech in conflict situations as well as the particular vulnerability of minority and indigenous women A global examination of the legal standards in the area of hate crime legislation Interviews and case studies from minorities and indigenous communities including examples of grassroots organizations working to improve their protection and representation Overviews of the human rights context for minorities and indigenous peoples in every major world region Peoples under Threat 2014 MRG's

unique statistical analysis and ranking of the vulnerability of minorities and indigenous peoples worldwide An invaluable reference for policy makers academics journalists and everyone who is interested in the human rights situation of minorities and indigenous peoples around the world *Encyclopedia of the World's Minorities* Carl Skutsch,2013-11-07 This study of minorities involves the difficult issues of rights justice equality dignity identity autonomy political liberties and cultural freedoms The A Z Encyclopedia presents the facts arguments and areas of contention in over 560 entries in a clear objective manner For a full list of entries contributors and more visit the Encyclopedia of the World s Minorities website
