At Random Bennett Cerf, 1977 **At Random [sound Recording] : the Reminiscences of Bennett Cerf** Bennett Alfred Cerf, 1977? **The UAB Marcel Proust Symposium** William C. Carter, 1989 *Hemingway and His Conspirators* Leonard J. Leff, 1999 Based on revealing letters and other documents from archives *Hemingway and His Conspirators* has the dramatic personae of a Hollywood production with a cast starring not only Hemingway and Perkins but F Scott Fitzgerald Helen Hayes David O Selznick and Gary Cooper Set in an endlessly fascinating age the 1920s It tells a backstage story of the tangle of literature publishing and motion pictures in the formative years of a time when the possibilities of a new mass audience challenged and changed culture and literature forever Modernism on File C. Culleton, 2008-02-04 Modernism on File Writers Artists and the FBI 1920 1950 brings together important new scholarship focused on J Edgar Hoover s FBI and its institutional presence in shaping and directing American print film and art culture From Harlem to Hollywood Hoover and his bureau workers were bent on decontaminating America s creativity and this collection looks at the writers and artists who were tagged tracked and in some cases trapped by the FBI Contributors detail the threatening aspects of political power and critique the very historiography of modernism acknowledging that modernism was on trial during those years The Growth of the Scholarly Publishing Industry in the U.S. Albert N. Greco, 2018-10-16 This book analyzes the dynamic growth of the scholarly publishing industry in the United States during 1939 1946 a critical period in the business history of scholarly publications in STM and the humanities and the social sciences It explains how the key publishing players positioned themselves to take advantage of the war economy and how they used different business and marketing strategies to create the market and demand for scholarly publications Not only did the atomic threat necessitate a surge in scholarly research but at the same time scholarly publishing managers prepared for the dramatic shift by anticipating the potential impact of the GI Bill on higher education creating superb printed products and by becoming the brand the source of knowledge and information The creation of strategic business units and value chains as well as the development of marketing targeting strategies resulted in brand loyalty to certain publishers and publications but also accelerated the growth of the US scholarly publishing industry Business historians and marketing professors interested in the business strategies of scholarly publishers during World War II will find this book to be a valuable resource **The History of the Book in the West: 1914-2000** Alexis Weedon, 2017-03-02 This collection brings together published papers on key themes which book historians have identified as of particular significance in the history of twentieth century publishing It reprints some of the best comparative perspectives and most insightful and innovatively presented scholarship on publishing and book history from such figures as Philip Altbach Lewis Coser James Curran Elizabeth Long Laura Miller Angus Phillips Janice Radway Jonathan Rose Shafquat Towheed Catherine Turner Jay Satterfield Clare Squires Eva Hemmungs Wirt n It is arranged into six sections which examine the internationalisation of publishing businesses changing notions of authorship innovation in the design and

marketing of books the specific effects of globalisation on creative property and the book in a multimedia marketplace

William Faulkner, Life Glimpses Louis Daniel Brodsky, 2013-12-06 During thirty years of literary collecting Louis Daniel Brodsky has acquired some of the most important source materials on the life and work of William Faulkner anywhere available Indeed the Brodsky Collection now owned by Southeast Missouri State University has been characterized by Robert Penn Warren as stupendous In William Faulkner Life Glimpses Brodsky mines this storehouse of previously unpublished material using interviews letters speeches movie scripts and notes to enrich our understanding of this well known Southern writer The result is a highly readable biography that is thematic and episodic rather than chronological in its organization Building on specific documents in the collection Brodsky opens new windows on the parallel development of Faulkner's literary career and personal life New material on the early poems Elder Watson in Heaven and Pregnancy gives insight into Faulkner's developing literary and personal aesthetics during the 1920s and 1930s Faulkner's metamorphosis from self doubting isolated artist to confident public spokesman during the 1940s and 1950s forms the central core of the study Through previously unavailable screenplays written for Warner Bros during World War II and an interview with Faulkner's fellow screenwriter Albert I Buzz Bezzerides Brodsky charts the decline in Faulkner's literary output and his corresponding discovery of a public voice He shows how Faulkner's astonishingly positive 1950 Nobel Prize acceptance speech was not a sudden about face from the bleak outlook that had produced *The Sound and the Fury* Rather Faulkner's years in Hollywood showed him that words even screenplays could shape the way people think and react Faulkner's lifelong quest for a manly role ended Brodsky declares when he took up the mantle of public spokespersonship In the final chapter a revealing interview with Faulkner's granddaughter Victoria Fielden Johnson paints an insider's portrait of life at the Faulkner home Rowan Oak A copy of Faulkner's recipe for curing pork included in the appendix emphasizes his longterm struggle to produce fine literature while supplying the everyday needs of a large family These and other materials previously unavailable to scholars and the reading public will broaden and enrich our understanding of one of America's most celebrated writers

Modernism and the Law Robert Spoo, 2018-08-09 Exploring critical legal issues and cases of the period from Oscar Wilde's prosecution for gross indecency to legal bans on such publications as D H Lawrence's *Lady Chatterley's Lover* Radclyffe Hall's *The Well of Loneliness* and James Joyce's *Ulysses* *Modernism and the Law* is the first book to survey the legal contexts of transatlantic Anglo American modernist culture Written by one of the leading authorities on the subject the book covers such topics as Obscenity laws and censorship Copyrights moral rights and the public domain Patronage and literary piracy Privacy defamation publicity and blackmail Including an annotated list of relevant statutes treaties and cases this is an essential read for scholars and students coming to the subject for the first time as well as for

experienced scholars The Lost Spy Andrew Meier, 2008 For half a century the case of Isaiah Oggins an American brutally murdered in 1947 on Stalin's orders remained sealed in the secret files of the KGB and the FBI a footnote buried in the rubble of the cold war In 1992 it surfaced only briefly when Boris Yeltsin handed over a dossier to the White House But the real story of what happened to Isaiah Cy Oggins one of the first Americans to spy for the Soviet Union remained an elusive mystery even to his own family The Lost Spy charts Cy Oggins's evolution from his birth in 1898 in a Connecticut mill town to his graduation from Columbia to recruitment by Soviet operatives Enlisting in Stalin's secret service Oggins embarked on his odyssey in 1928 In Berlin Oggins posed as a wealthy antiquarian dealer to run a strategic safe house In Manchuria Oggins served behind enemy lines spying on the Japanese occupiers and their emperor BOOK JACKET
