At The Fireside True South African Stories:

At the Fireside Roger Webster, 2013-04-04 Roger Webster published his first volume of *At the Fireside* stories in 2001. It became an overnight bestseller and he went on to write three more books filled with magnificent stories from southern Africa. Now more than ten years later Roger Webster is back with another all new volume of fireside tales of people and events that have shaped this remarkable country. The author brings to life anecdotes from the country's past, either forgotten or perhaps left untold as a result of political prejudice. These are tales of courage and failure, honour and greed, hope and despair, unexpected and extraordinary achievements, but ultimately stories of real people. **At the Fireside, Vol. 2** Roger Webster, 2001. The stories in this work are the tales of bravery and honour, greed and failure, hope and despair, but ultimately the stories of real people who went beyond the expected and of events that surpassed the ordinary. *The Illustrated at the Fireside* Roger Webster, 2003. A new collection of stories about real life characters and events that have shaped our past and that have never been told before. Stories of bravery and honor, greed and failure, hope and despair, but ultimately stories of people who went beyond the expected and of events that surpassed the ordinary. **At the Fireside - Volume 1** Roger Webster, 2013-03-06. *At the Fireside* was born out of the need to preserve, retell and rekindle some of the stories of events and lives that have shaped and coloured South Africa. This book recalls our history and enables the reader to relive the stories of our sometimes forgotten past. These are tales of bravery and honour, greed and failure, hope and despair, but ultimately the stories are of real people who went beyond the expected and of events that surpassed the ordinary. *At the Fireside, Vol. 3* Roger Webster, 2005. This collection contains true accounts of people, events and incidents that shaped the future of South Africa. Now no longer skewered by political agendas, they may be correctly told, bringing history back into balance. *The Journal of Commonwealth Literature*, 2002. One number each year includes Annual bibliography of Commonwealth literature. *Railway Jack* K. T. Johnston, 2020. Jim was a South African railway inspector in the late 1800s who lost his legs in an accident while at work. Unable to perform all his tasks with his disability but desperate to keep his job, Jim discovered a brilliant solution: a baboon named Jack. Jim trained Jack to help him both at home and at the depot. But when the railway authorities and the public discovered a monkey on the job, Jack and Jim had to work together to convince everyone that they made a great team. This inspiring true story celebrates the history of service animals and a devoted friendship. **African Books in Print**, 1978. **Rogue Empires** Steven Press, 2017-04-10. The man who bought a country. The emergence of an idea. King Leopold's Borneo. Bismarck's Borneo. Epilogue. A great act of folly. *South Africa Yearbook*, 2006.
