Liou, 2023-04-25 Critical race theory has become a lightning rod in contemporary American politics and evangelical Christianity This irenic book offers a critical but constructive and sympathetic introduction written from a perspective rooted in Scripture and Christian theology The authors take us beyond caricatures and misinformation to consider how critical race theory can be an analytical tool to help us understand persistent inequality and injustice and to see how Christians and churches working for racial justice can engage it in faithful and constructive ways The authors explore aspects of critical race theory that resonate with well trod Christian doctrine but also that challenge or are corrected by Christian theology They also address the controversial connection that critics see between critical race theory and Marxism Their aim is to offer objective analysis and critique that go beyond the debates about social identity and the culture wars and aid those who are engaging the issues in Christian life and ministry The book includes a helpful glossary of key terms *Latin American Women Dramatists* Catherine Larson, Margarita Vargas, 1999-05-22 This thoughtfully crafted insightful and informative anthology elucidates an overlooked essential component of the Latin American literary canon Choice Latin American Women Dramatists sheds much needed light on the significant contributions made by these pioneering authors during the last half of the twentieth century Contributors discuss fifteen works of Latin American playwrights delineate the artistic lives of women dramatists from countries as diverse as Argentina Brazil Chile Mexico Puerto Rico and Venezuela Looking at these writers and their work from political historical and feminist perspectives this anthology also underscores the problems inherent in writing under repressive governments The book highlights the many possibilities of the innovative work of these dramatists and this will it is to be hoped help the editors to achieve one of their other key goals productions of the plays in English Times Literary Supplement UK **Memory, Allegory, and Testimony in South American Theater** Ana Elena Puga, 2008-05-05 Memory Allegory and Testimony in South American Theater traces the shaping of a resistant identity in memory its direct expression in testimony and its indirect elaboration in two different kinds of allegory Each chapter focuses on one contemporary playwright or one collaborative team in the case of Brazil from each of four Southern Cone countries and compares the playwrights aesthetic strategies for subverting ideologies of dictatorship Carlos Manuel Varela memory in Uruguay Juan Radrig n testimony in Chile Augusto Boal and his co author Gianfrancesco Guarnieri historical allegory in Brazil Griselda Gambaro abstract allegory in Argentina **A Bordo** Spanish Course Team, 2019-06-03 Ideal for near beginners A bordo takes learners up to the equivalent of GCSE level Spanish The

Smith,2025-02-20 Discover how ordinary moments in the school year can become occasions for making profound connections between faith and pedagogy In this encouraging and practical book education expert David I Smith invites Christian educators on a journey through the school year that will deepen their capacity to make thoughtful connections between their faith and their pedagogy Mirroring the rhythms of an academic year the book embraces and explores the mundane moments that all teachers experience every semester Starting the course Setting some norms for interaction Choosing how to frame the material Assigning tasks Repeating things Pausing Bringing things to a close The topics are deliberately ordinary because as Smith demonstrates the shape of one s teaching is mainly built from the unspectacular choices and actions that gradually shape the texture of life in the classroom If educators want to think well about Christian faith and teaching and act well in the classroom they need to learn to reflect well on those ordinary steps in the journey Everyday Christian Teaching builds on Smith s previous book *On Christian Teaching Practicing Faith in the Classroom* where he made a persuasive case for connecting faith and pedagogy The new book aims to put this idea into practice as Smith explains in the introduction Suppose we want to get better at thinking about faith and teaching together What then What does the road look like and how do we walk it wisely If we d like to be a pilgrim how do we make progress Taking up such questions with wisdom and empathy Everyday Christian Teaching helps educators develop faith informed insights and life giving practices that can transform their teaching over the course of time Theatre, Performance, and Memory Politics in Argentina B.
