Abebing Law Enforcement Ethics A Summary Report Based On The Study Conducted

Brent E. Turvey, Stan Crowder

Abebing Law Enforcement Ethics A Summary Report Based On The Study Conducted:

Assessing Law Enforcement Ethics Karen L. Amendola, 1996-01-01 **Assessing Law Enforcement Ethics** Karen L. Amendola, Peter Scharf, Cielle Hockman, 1996 In surveying ethical attitudes of police officers the Oregon State Police OSP Department examined whether a shared sense of values prevailed within the police organization whether police officers received consistent information on organizational values and policies and how police officers viewed the integrity of the police organization Of 780 sworn personnel 615 responded to the survey for a 79 percent response rate Survey findings revealed values promoted by police supervisors affected attitudes and behavior of their subordinates When police supervisors were perceived as having strong values and behavior they often received more loyalty Rank was associated with ethical values ratings of values and behaviors in relation to the OSP went up as rank went up The position of sergeant had some role ambiguity attitudes of sergeants differed widely with some favoring the management role and others favoring the fellow police officer position Sergeants had to balance management considerations with fellow police officer concerns a role that sometimes led to alienation from the ranks Management personnel working at the OSP headquarters rated their ethical values and behavior higher across the board Implications of the survey findings for establishing standards governing police professionalism and ethical behavior are discussed Appendixes present the OSP s Code of Ethical Conduct information on the survey methodology a list of reasons for not returning the survey a list of issues not covered by the survey and correlation data *Ethics in Policing* Julie Raines, 2010 This book highlights the need for empirical research to explain why some officers commit unethical acts and what might prompt other officers to report such examples of misconduct This text offers an explanation of theories behind officer misconduct coupled with practical advice for law enforcement officials regarding how to foster ethical behavior while discouraging misconduct **Effecting Future Ethical Conduct in Mid-sized Law Enforcement Organizations** William M. Blaska, California. Commission on Peace Officer Standards and Training. Command College, California. Commission on Peace Officer Standards and Training. Command College Class XV., 1993 This journal article basis on a study of ethics in law enforcement organizations focused on the dynamic nature of ethical standards in mid sized local agencies and how societal forces and the community will affect those standards in the future The study was based on a literature review nominal group exercises cross impacts analysis and future scenarios based on exploratory normative and hypothetical modes The results showed that social forces including values and value systems demographics alternative lifestyles and violent crime will affect law officers perceptions of and future standards of behavior in their work Other catalysts for change will include a changing work ethic the diverse nature of the future labor pool and changing community expectations One program that can be used to effect behavior change in an agency is a strategic plan that offers both a macro mission statement which establishes ideals and directions and a micro mission statement which is issue specific to the objective The plan outlines components of a transition management which include a commitment plan management structure

and implementation technologies Decision Point Jeffrey L. Green, 2013-10-28 Exploring the concepts of ethics morality and decision making for the law enforcement community Decision Point Real Life Ethical Dilemmas in Law Enforcement offers an inside look at the difficult challenges officers confront every day as they face ethical decisions that could drastically alter the course of their careers Through a series of real life vignettes the book reviews specific scenarios the actual decisions that were made and the consequences and implications of these decisions Focusing on the critical thinking needed for making appropriate decisions it retrospectively discusses considerations that were or should have been evaluated at the time An engaging text ideal for classroom use the book offers discussion questions at the end of each chapter that can be used as assignments group breakout discussions or professor facilitated discussions Leadership in Developing the Organizational Ethic Walt H. Sirene, 2016-09-23 This training aid explores universal concepts of ethics applied to law enforcement It has two parts Discussion and Self study Guide and Readings Both explore concepts of Leadership Public Trust and Character This document was used to supplement class activities for all ranks of FBI personnel as well as with Executive Development Programs which are part of the FBI Training Division's mission to provide continuing education to Federal State and Local law enforcement leaders Instructors students public servants and people interested in ethics will find this helpful and stimulating **Investigative Ethics** Seumas Miller, Ian A. Gordon, 2014-03-19 Investigative Ethics Ethics for Police Detectives and Criminal Investigators presents applied philosophical analyses of the ethical issues that arise for police detectives and other investigators in contemporary society Explores ethical issues relating to investigative independence rights of victims and suspects use of informants entrapment privacy and surveillance undercover operations deception and suspect interviewing Represents the first monograph providing a detailed consideration of ethical issues in police investigations Features authorship by an applied philosopher specializing in police ethics and a former UK senior police officer Combined authorship ensures the text is anchored in actual police practice as well as providing high quality ethical analysis Moral Issues in Police Work Frederick Elliston, Michael Feldberg, 1985 The police are among the most powerful agents of the state They can disrupt the daily routines of citizens more than any other public official by deciding who shall be stopped who shall be detained who shall be arrested and who shall go free This book is intended to document aid and abet the work of analysis now well underway and to enhance the discussions that have begun *Ethical Justice* Brent E. Turvey, Stan Crowder, 2013-06-28 This textbook was developed from an idiom shared by the authors and contributors alike ethics and ethical challenges are generally black and white not gray They are akin to the pregnant woman or the gunshot victim one cannot be a little pregnant or a little shot Consequently professional conduct is either ethical or it is not Unafraid to be the harbingers Turvey and Crowder set forth the parameters of key ethical issues across the five pillars of the criminal justice system law enforcement corrections courts forensic science and academia It demonstrates how each pillar is dependent upon its professional membership and also upon the supporting efforts of the other pillars with respect to both

character and culture With contributions from case working experts across the CJ spectrum this text reveals hard earned insights into issues that are often absent from textbooks born out of just theory and research Part 1 examines ethic issues in academia with chapters on ethics for CJ students CJ educators and ethics in CJ research Part 2 examines ethical issues in law enforcement with separate chapters on law enforcement administration and criminal investigations Part 3 examines ethical issues in the forensic services considering the separate roles of crime lab administration and evidence examination Part 4 examines ethical issues in the courts with chapters discussing the prosecution the defense and the judiciary Part 5 examines ethical issues in corrections separately considering corrections staff and treatment staff in a forensic setting The text concludes with Part 6 which examines ethical issues in a broad professional sense with respect to professional organizations and whistleblowers Ethical Justice Applied Issues for Criminal Justice Students and Professionals is intended for use as a textbook at the college and university by undergraduate students enrolled in a program related to any of the CJ professions It is intended to guide them through the real world issues that they will encounter in both the classroom and in the professional community However it can also serve as an important reference manual for the CJ professional that may work in a community that lacks ethical mentoring or leadership
