Abortionists Daughter:

The Abortionist's Daughter Elisabeth Hyde, 2006-06-20 Two weeks before Christmas Diana Duprey an outspoken abortion doctor is found dead in her swimming pool A national figure Diana inspired passion and ignited tempers but never more so than the day of her death Her husband Frank a longtime attorney in the DA s office her daughter Megan a freshman in college the Reverend Stephen O Connell founder of the town s pro life coalition all of them quarreled with Diana that day and each one has something to lose in revealing the truth Meanwhile the detective on the case struggles for the answers and finds himself more intimately involved than he ever could have imagined **The Abortionist** Rickie Solinger, 2019-10-01

This twenty fifth anniversary edition places abortion politics in the context of reproductive justice today and explains why abortion has been and remains a political flashpoint in the United States Before Roe v Wade hundreds of thousands of illegal abortions occurred in the United States every year Rickie Solinger tells the story of Ruth Barnett an abortionist in Portland Oregon from 1918 to 1968 to demonstrate how the law not back alley practitioners endangered women s lives in the years before legalized abortion Women from all walks of life came to Barnett who worked in a proper office undisturbed by legal authorities and never lost a patient But in the illegal era following World War II Barnett and other practitioners were hounded by police and became targets for politicians women seeking abortions were forced to turn to syndicates run by racketeers or to use self induced methods that often ended in injury or death This new edition places abortion politics in the context of reproductive justice today Despite the change in women s status since Barnett s time key cultural and political meanings of abortion have endured Opponents of Roe v Wade continue their efforts to recriminalize abortion and reestablish an inexorable relationship between biology and destiny The Abortionist is an instructive reminder that legal abortion facilitated women s status as full members of society Barnett s story clarifies the relationship of legal abortion to human dignity and shows why preserving and extending Roe v Wade ensures women s freedom to decide for themselves what is best for their health **Department of Defense Appropriations** United States. Weimar Germany Cornelia Usborne, 2007-12-01 Abortion in the Weimar Republic is a compelling subject since it provoked public debates and campaigns of an intensity rarely matched elsewhere It proved so explosive because populationist ecclesiastical and political concerns were heightened by cultural anxieties of a modernity in crisis Based on an exceptionally rich source material e g criminal court cases doctors case books personal diaries feature films plays and literary works this study explores different attitudes and experiences of those women who sought to terminate an unwanted pregnancy and

those who helped or hindered them It analyzes the dichotomy between medical theory and practice and questions common assumptions i e that abortion was a necessary evil which needed strict regulation and medical control or that all back street abortions were dangerous and bad Above all the book reveals women s own voices frequently contradictory and ambiguous having internalized medical ideas they often also adhered to older notions of reproduction which opposed scientific approaches **Abort! Abortions** Salidor C. Coetzee, 2021-03-07 ABORT ABORTIONS The Killing Fields Statutory rape and abortion A true life event A must read by everyone Non fiction Religious and Educational contents many lessons to be learned How YOU and I developed and became the ME Everyone has a right to life even the unborn in the mother s womb OUR BODIES OUR SOULS Far more babies have died in the wombs of their mother s than people killed in World War 1 2 combined Many catastrophic events are unfolding amongst others global warming However abortions are a much bigger apocalyptic event than global warming and all the violence and political unrests of the world combined AN IMPORTANT QUESTION TO ASK OURSELVES ARE ABORTIONS A WOMAN S CHOICE OR ARE THEY A MODERN HOLOCAUST A PROMISE MADE IS A PROMISE TO KEEP One disastrous family event changed my whole life From a staunch supporter of abortions to a Pro Life Activist During the last week of May 2010 just before the start of the FIFA World Cup Soccer in South Africa I promised God through my wife on her deathbed after borrowed to us from a coma that I will tell the world that ABORTION is a deadly sin only God can give and take life Hope the message in the book speaks to the inner soul of each person who reads it May the message spread and enrich the life s of many people On the foreheads of unborn killed in their mother s wombs are written INNOCENT a not guilty plea The reader needs to understand that those innocent unborn babies killed are now little angels in heaven The last Chapter of the book teaches about God s Grace Love and Forgiveness
