

The Finest
CHILD'S
STORY
BASE

Illustrated by

Wm. E. Erdmann

This is a story of the life of Abraham Lincoln, the great American who saved the Union and freed the slaves. It is a story of a man who was born in a poor log cabin and became one of the greatest leaders of our country. The story is told in a simple, straightforward way, with many illustrations to help the child understand the events. The story is suitable for children of all ages, and it is a good way to learn about one of our greatest presidents.

More,1923 *Allenby's Military Medicine* Eran Dolev,2007-07-20 Allenby's Military Medicine examines a little known feature of World War I as it was fought in the Middle East the contribution made by the practice of military medicine to the success of Egyptian Expeditionary Force In stark contrast with operations in the Boer War and some other First World War theatres of combat which Eran Dolev describes as medical disasters the Palestine Campaign was marked by efficient and effective medical service Dolev describes how this great achievement was inspired by General Allenby's uniquely attentive attitude towards the health of the troops and to military medicine This is especially seen in the crucial area of fighting epidemic diseases like malaria a major threat to a healthy fighting force at the time Dolev also describes the general developments in military medical organisation and surgery on the battlefield during these campaigns The author's extensive and original research into military medicine is incorporated into an account of the campaign itself demonstrating the degree to which the army's success depended on its medical support The story of military medicine during the Palestine Campaigns is a story of exemplary relations between the command and the doctors in the field The challenges they faced and their response constitute an exceptional chapter in the history of military medicine during the Great War

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
