Repond, 2012-10-31 Abby Cooper is a bit of a klutz and a bit of a dreamer but all in all she's a nuts and bolts kind of girl She's a waitress at Marge's Breakfast Boutique where she works part time while she patiently doggedly builds her Internet research business indagatus.com She's thirty five single and as frustrated as Captain Hook's crocodile She's given up on marriage Mr Right and the happily ever after myth The one thing she hasn't given up on is becoming a mom While trying to formulate a plan for self invitrofertilization she winds up on the wrong side of town where curiosity draws her to a shabby pawnshop where she finds her mother's long lost locket From the moment Abby walks out of the pawnshop her life takes a dangerous turn a turn that leads to murder **Captured Moon** Loribelle Hunt, 2012-02-03 When her marriage ended Abby Hart retreated to lick her wounds and rebuild her life She's found satisfaction and some success writing and she's happy Mostly Who wouldn't welcome a little R R Many of her books revolve around two men modeled after real life werewolf twins Rule and Lawe Sanders When two of her friends talk her into participating in a local date auction fantasy and reality begin to mix Rest and relaxation never felt so good but is reality more than she bargained for *Children's Books in Print, 2007*, 2006 **Extra Credit** Andrew Clements, 2012-03-13 It isn't that Abby Carson can't do her schoolwork She just doesn't like doing it And in February a warning letter arrives at her home Abby will have to repeat sixth grade unless she meets some specific conditions including taking on an extra credit project to find a pen pal in a distant country Seems simple enough But when Abby's first letter arrives at a small school in Afghanistan the village elders agree that any letters going back to America must be written well In English And the only qualified student is a boy Sadeed Bayat Except in this village it is not proper for a boy to correspond with a girl So Sadeed's younger sister will write the letters Except she knows hardly any English So Sadeed must write the letters For his sister to sign But what about the villagers who believe that girls should not be anywhere near a school And what about those who believe that any contact with Americans is unhealthy Not so simple But

as letters flow back and forth between the prairies of Illinois and the mountains of central Asia across cultural and religious divides through the minefields of different lifestyles and traditions a small group of children begin to speak and listen to one another And in just a few short weeks they make important discoveries about their communities about their world and most of all about themselves
