| WHAT LECTURE SLIDE AND SUBHEADING THIS CASE IS RELEVANT TO | <p>Homocide week 7</p> <p>Muder – the fault or mens rea element</p> <p><b>OBLIQUE INTENTION – INDIRECT INTENTION</b></p> <p>– where intention is not always clear how does the jury decide whether there was intention for the committed act and whether that intention determined them liable – or was actually more of a manslaughter problem.</p>                                                                                                                                                                                                                                                                                             |
| What was facts                                             | <p>comprised of the defendant throwing his 3 month baby to the ground in frustration when it would not stop crying, leading to the baby dying from a fractured skull.</p> <p>court accepted that the defendant did not intend to cause death or harm to the child but that the defendant foresaw there was a risk of causing serious harm to the baby as a result of his actions.</p> <p>original trial judge directed the jury that oblique intention exists if there is ‘an appreciation of a substantial risk of injury’, –(which meant) the jury decided that exposing somebody to a risk of harm was sufficient to amount to intention.</p> |
| Why it came to court                                       | <p>The case was referred to the Court of Appeal and then the House of Lords to consider whether this was the correct way to define intention.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| The appeals and the outcomes (Judgment)                    | <p>Court of appeal upheld murder conviction</p> <p>House of lords overturned this and substituted it for manslaughter arguing the original trial judge expanded the meaning/substance for mens rea element for murder – because the judge introduced the question of whether the defendant foresaw substaintail risk- this ‘substantial risk’.</p>                                                                                                                                                                                                                                                                                               |
