Christian Drosten

Abomination Of Desolation Matthew 24 And 25:

Abomination of Desolation Rev. John C. Martin III, 2005-12-13 Rev Martins original plan was to preach through the Gospel of Matthew word by word verse by verse and to do so from a new fresh translation from the original language Preaching through the Gospel with all of its references to other books of the Bible and in its own history is an ideal way for a preacher to give his people a thorough understanding of the inspired Scripture It wasnt long before the idea of a huge sermonic commentary came up And then came the idea of some interim books This book is the fourth and maybe the last in the interim series What will eventually come to pass Lord willing is a 3500 page commentary with a new translation of the text of the Gospel of Matthew It will be published in probably six volumes In the meantime this book Abomination of Desolation is published as a stand alone book The three previous ones are The Beatitudes and the Lords Prayer The Sermon On the Mount and Jesus On Divorce Abomination of Desolation is a thorough exegesis of chapters twenty four and twenty five of the Gospel of Matthew It explicitly follows the text of what Jesus Christ told His disciples while on the Mount of Olives before His crucifixion

Abomination of Desolation John C. Martin, III, 2005-12 Motherhood madness and mayhem This tell all journal of letters is about a dysfunctional family that can t quite get it right It is heart wrenching yet pain staking funny how the main character deals with situations when they arise I m not at all excited about going to my parent s house for a visit Every time I think about it my anxiety level shoots sky high If stress brings on my seizures then I should be doing the old shake and bake right about now I don t believe the doctor knows what he s talking about I m putting a clause in my will that if anyone contests it they will lose everything I m leaving you my teeth and my toenail collection Please don t say anything to my daughters They don t know that I m leaving you my prize possessions I certainly don t want the bickering to begin especially since I m still alive The book is filled with hilarious ranting If you have experienced dysfunction in your life then this book is something you should read This book is strong painfully honest and nakedly candid

Mark Turney President West Africa School of Theology

Irenaeus' Use of Matthew's Gospel in Adversus Haereses D. Jeffrey Bingham, Dwight Jeffrey Bingham, 1998 This book shows how Irenaeus creatively selects and develops distinctive Matthean material within his interpretive networks of other biblical texts in order to verbally and conceptually oppose the theses of the heretics and provide helpful language for his expression of the church's faith He is

attracted to this Matthean material not because it holds an extraordinary place in the canon but because in his view each gospel makes a distinctive but equal contribution to the church's canon and polemic Irenaeus sees some of Matthew's distinctive contributions in terms of language which emphasizes Christ's humanity and virgin birth explains the theological and economical unity of the two covenants and opposes the heretics cosmological anthropological Christological theological and economical dualism Although the bishop works within the framework of the church's tradition the interpretive intertextual networks he builds his magnification of particular terms and his polemic against dualism demonstrate his creative anti heretic innovation Rarely does he ever merely repeat the thought of a predecessor Irenaeus exegetes Matthew for the church within a particular milieu using a methodology of intertextual connection common to his milieu and developing theological language which counters the heretics of his milieu
