more than 150 years since his death Abraham Lincoln has become America's most revered president The mythmaking about this self-made man began early some of it starting during his campaign for the presidency in 1860 As an American icon Lincoln has been the subject of speculation and inquiry as authors and researchers have examined every aspect personal and professional of the president's life In *Lincoln Legends* noted historian and Lincoln expert Edward Steers Jr carefully scrutinizes some of the most notorious tall tales and distorted ideas about America's sixteenth president Did he write his greatest speech on the back of an envelope on the way to Gettysburg Did he appear before a congressional committee to defend his wife against charges of treason Was he an illegitimate child Did he have romantic encounters with women other than his wife or love affairs with men What really happened in the weeks leading up to April 14 1865 and in the aftermath of Lincoln's tragic assassination *Lincoln Legends* evaluates the evidence on all sides of the many heated debates about the Great Emancipator and also traces the often fascinating evolution of flawed theories about Lincoln and the motivations of the individuals occasionally sincere but more often cynical self-serving and nefarious who are responsible for their dispersal Based on extensive primary research *Lincoln Legends* will settle many of the enduring questions and persistent myths about Lincoln's life once and for all Fascinating reading Tucson Citizen
