Alcoholism Its Treatment In Industry:

Alcohol, its production, properties, chemistry, and industrial applications Charles Simmonds,1919 Alcohol Problem Intervention in the Workplace Paul M. Roman,1990-07-24 Since the 1950s social scientists have devoted serious attention to the relationship between alcohol and the workplace In recent years awareness of the tremendous costs both human and financial associated with alcoholism has led to a dramatic increase in both scholarly and practical interest in the field Although researchers working in this area are relatively few they have sustained a lively interest in the alcohol work nexus and have attracted others to the field through conferences where ideas and research strategies are exchanged The larger part of Alcohol Problem Intervention in the Workplace provides an up to date thorough examination of the problem the research and the possible solutions This volume is directed toward both practitioners and researchers providing a wide range of new data and new ideas that bear upon coping with alcohol problems in the workplace Part I addresses issues regarding the distribution and correlates of alcohol problems and alcohol use among employees Part II is centered on issues associated with Employee Assistance Programs And Part III is a general conclusion and overview offering suggestions and implications for the practitioner in the workplace Because this collection supplies the most current thinking and information on controlling alcohol problems in the workplace it will be of particular interest to human resource management and to employee assistance specialists who are now required to pass a certification examination *Occupational Alcoholism Programs Bibliography* National Clearinghouse for Alcohol Information,1980 **Monthly Labor Review** ,1978-04 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Prevention, Intervention; and Treatment ,1982 Recent Developments in Alcoholism Marc Galanter,2012-12-06 From the President of the Research Society on Alcoholism This annual book series is a valuable resource for the alcoholism field because it provides critical and timely reviews of selected areas that have interest to both practitioners and researchers It tries to achieve a balance between psychosocial and biomedical topics and between research and patient care activities Such a mix is offered in Volume 6 The Research Society on Alcoholism whose membership embraces researchers from all disciplines that study the etiology treatment and prevention of alcoholism and alcohol related disabilities regards the support and sponsorship of this book series as one of its major missions Ting Kai Li M D President Research Society on Alcoholism From the President of the American Medical Society on Alcoholism and Other Drug Dependencies The broadening scope of clinical and scientific interest in alcohol dependence is reflected in this sixth volume of Recent Developments in Alcoholism It offers valuable reviews on important current issues in the field namely the intertwining of nature and nurture a continuing search for predictors and indicators of the disease and the social impact of alcoholism on the job and in special populations This material should pique the interest of clinicians from all disciplines Medical social and political planners also need to turn to the expanding body of knowledge in the field of chemical dependence reflected here The volume is therefore
