LaHurd, 2017-01-30 On his twenty sixth horrifying mission over the hostile skies of Nazi Europe a

charismatic bombardier seated at the nose of a B 17 strapped on his parachute as his disintegrating bomber dropped uncontrollably to the ground What got him to this point the ensuing months behind barbed wire and his daily letters written to his family in Akron Ohio makes for an emotionally intense memoir This is the true account of a single unknown individual who stands in for the unsung warriors of the greatest generation during World War II **Airman** ,1990 **Airman's**

Experience in the Vietnam Era Robert A. Crothers, 2021-01-21 Reading his book took me back to a time and place when I served in the military He brought back those humorous times during basic training He talks about how Lila encouraged him to study hard and progress forward to be the best while serving his country He describes his first long flight from Travis Air Force Base to his final destination of Clark Air Base Philippines and the 463rd OMS Warm and enriching memories of those he trained with and those who taught him Some of the stories he writes about being in Vietnam are humor filled such as when he became a Captain to order in flight meals for his crew chiefs Others brought on a sense of sadness from the loss of a friend His first sapper attack how they sent him out to look for trip grenades in his aircraft He and his good friend from Lynn Massachusetts barely missed being hit by a mortar leaving the flight line Hearing him say how the warning siren would always go off after the attack you knew you were safe was humorous A must read book and a different look at a conflict that had no end in sight in 1968 **The Great War in the Air** John H.
