Movie Moguls Speak Steven Prigge, 2004-01-01 In the film world today there is extraordinary attention paid to actors actresses and directors yet the producers who gave many of them their first breaks and helped mold their careers have managed to remain outside the limelight This work covers producers who gave early breaks to actors and actresses like Al Pacino and Demi Moore directors like Steven Spielberg and Todd Haynes and writers like Aaron Sorkin These legends may never have become known if not for their producers behind the scenes insight and ability to recognize talent Interviewees include David Brown *Jaws* A Few Good Men Martin Richards *Chicago* The Shining Barbara Broccoli and Michael G Wilson Goldeneye *Die Another Day* Dino DeLaurentiis *La Strada* Hannibal Michael Phillips *Taxi Driver* The Sting Martin Bregman *Serpico* *Scarface* Lauren Shuler Donner *You've Got Mail* *X-Men* Robert Chartoff *Rocky* *Raging Bull* Mace Neufeld *The Hunt for Red October* *Patriot Games* Paula Wagner *Vanilla Sky* *Mission Impossible* and many many more **The Cinema of Francesco Rosi** Gaetana Marrone, 2020 Francesco Rosi is one of the great realist artists of post war Italian indeed post war world cinema In this book author Gaetana Marrone explores the rich visual language in which the Neapolitan filmmaker expresses the cultural icons that constitute his style and images Over the years Rosi has offered us films that trace an

intricate path between the real and the fictive the factual and the imagined His films show an extraordinarily consistent formal balance while representing historical events as social emblems that examine shape and reflect the national self They rely on a labyrinthine narrative structure in which the sense of an enigma replaces the unidirectional path leading ineluctably to a designated end and solution Rosi's logical investigations are conducted by an omniscient eye and translated into a cinematic approach that embraces the details of material reality with the panoramic perspective of a dispassionate observer This book offers intertextual analyses within such fields as history politics literature and photography along with production information gleaned from Rosi's personal archives and interviews It examines Rosi's creative use of film as document and as spectacle It is also a study of the specific cinematic techniques that characterize Rosi's work and that visually compositionally express his vision of history and the elusive truth of past and present social and political realities

Federico Fellini Tullio Kezich, 2007-03-06 A lively and authoritative journey into the world of a cinema master With the revolutionary 8 1 2 Federico Fellini put his deepest desires and anxieties before the lens in 1963 permanently impacting the art of cinema in the process Now more than forty years later film critic and Fellini confidant Tullio Kezich has written the work by which all other biographies of the filmmaker are sure to be measured In this moving and intimately revealing account of a lifetime spent in pictures Kezich uses his friendship with Fellini as a means to step outside the frame of myth and anecdote that surrounds him much it turns out of the director's own making A great lover of women and a meticulous observer of dreams Fellini perhaps more than any other director of the twentieth century created films that embodied a thoroughly modern sensibility eschewing traditional narrative along with religious and moral precepts His is an art of delicate pathos of episodic films that directly address the intersection of reality fantasy and desire that exists as a product of mid century Italy a country reeling from a Fascist regime as it struggled with an outmoded Catholic national identity As Kezich reveals the dilemmas Fellini presents in his movies reflect not only his personal battles but those of Italian society The result is a book that explores both the machinations of cinema and the man who most grandly embraced the full spectrum of its possibilities leaving his indelible mark on it forever

The Judge on the Screen Vincenzo Tomeo, 2024-12-15 Vincenzo Tomeo's pioneering research in the 1960s and 1970s drew attention to the importance of popular culture in our understanding of the operation of the justice system He was the first to recognize that how laws are interpreted and put into effect depends heavily on how the public understand them This understanding comes from the ideas and understanding which the public have about the justice system These ideas in an era of mass popular culture come largely from film In his groundbreaking research he examined how judges and the police were viewed in popular film He also stressed the importance of popular culture as opposed to classical accounts of law and justice and showed how these meshed with law and justice on film The Judge on the Screen preceded the attention paid to popular culture by over a decade and provided empirical data some thirty years before any such work was carried out by Anglo American and other European scholars This classic work now appears for the first time in an English
