Becoming a Digital Nomad Chris Backe, 2018-04-06 Presenting the 2019 edition, *Imagine living the lifestyle you want while making money and working anywhere in the world. Imagine enjoying the beaches in Thailand one day, then trying the best pizza in Italy the next. It sounds like a dream: travel anywhere you want, make money doing something you enjoy, and live life to the fullest. It's not a dream though: a growing number of digital nomads are leaving the 9 to 5 life and choosing to take control of their life. What is a digital nomad? A person who travels at will, lives where they want, and does their work digitally. They have no cubicle and no dress code. Digital nomads are young, old, male, female, single, married, have children, and are from almost every country on this planet. If you want to become a digital nomad, nothing can stop you. *Becoming a Digital Nomad* offers a proven, step-by-step guide to test and transition into the digital nomad lifestyle. It's one part travel guide and one part how-to. Steps build on each other in chronological order, and a dozen worksheets guide you with specific questions to answer. These are freely available to save and print offline or online, whatever works best for you.*
