for years and for the past few years, the number of people who have been killed in the United States by gun violence has been increasing. In 2017, there were 39,326 people killed by guns in the United States, up from 37,734 in 2016. And in 2018, there were 40,187 people killed by guns in the United States, up from 39,326 in 2017. This is a significant increase in gun violence, and it is a problem that we need to address.
