The Saga of Andy Burnett, starring Jerome Courtland as a rugged mountain man who blazes a hazardous trail to the West in the early 19th Century, is Walt Disney's most recent TV plunge into Americana. Comprising six hour-long episodes, the series details the adventures that befall young Andy and his companions

as they trek from Pittsburgh to the Blackfoot Indian territory. The kiddy grapevine has it that Andy isn't generating the same excitement that Davy Crockett did a few seasons back.
