Angels, Let's Talk Orlando Constantine, 2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18 *Silence in the Dark (Logan Point Book #4)* Patricia Bradley, 2016-04-12 Two years ago Bailey Adams broke off her engagement to Danny Maxwell and fled Logan Point for the mission field in Chihuahua Mexico Now she s about to return home to the States but there s just one problem After Bailey meets with the uncle of one of the mission children in the city she barely escapes a sudden danger Now she s on the run she just doesn t know from whom To make matters worse people who help her along the way find themselves in danger too including Danny Who is after her Will they ever let up And in the midst of the chaos can Bailey keep herself from falling in love with her rescuer all over again With lean fast paced prose that keeps readers turning the pages Patricia Bradley pens a superb story of suspense and second chances *Angels of Death* William Marsden, Julian Sher, 2010-07-30 The award winning authors of *The Road to Hell How the Biker Gangs Are Conquering Canada* bring us a definitive up to the minute account of the Hells Angels and the international biker network Marsden and Sher explain how the expansion of America s foremost motorcycle gang has allowed this once ragtag group of rebels outcasts and felons to become one of the world s most sophisticated criminal organizations While the media has continued to toast the Hells Angels California leader Sonny Barger as an American legend the facts tell another story they are America s major crime export With an estimated 2 500 full patch members in 25 countries the Hells Angels have inspired a global subculture of biker gangs that are among the most feared and violent underworld players *Angels of Death* takes readers to Arizona inside the biggest American police undercover operation to infiltrate the bikers to British Columbia where wealthy bikers dominate the organized crime pyramid to Australia where the bikies shoot it out with
