The Wisdom of the Body Christine Valters Paintner, 2017-03-03 The distorted view of the perfect female body created by popular culture television movies and the media often causes women to become uncomfortable with their own bodies Christine Valters Paintner popular author of nine books and abbess of the online retreat center Abbey of the Arts draws from Celtic desert and Benedictine traditions to help women connect with their bodies through writing visual art and movement In *The Wisdom of the Body* Christine Valters Paintner focuses on the true meaning of the Incarnation God became flesh and points to the spiritual importance of appreciating the bodies God gave us Each of the book's ten chapters is a mini workshop designed to lead us to new ways of being in relationship with our bodies Starting with the senses and shifting toward emotions and desires Paintner explores their role as thresholds to discovering the body's wisdom She draws from Christian tradition to offer principles and practices such as stability hospitality and gratitude to lead us on a journey that ends with a sense of deep peace and self acceptance Through expressive arts and creative movement Paintner demonstrates a new language and way of integrating and sharing our discoveries By exploring the lives of women in the Bible and in the Christian tradition including Eve Mary Hildegard of Bingen and Amma Syncletica Paintner introduces us to companions that accompany us on our journey

Beginning Again Mary C. Earle, 2004-10 Discover how to use St Benedict's concepts of stability obedience and conversion to live spiritually even in the midst of illness *Thinking Spiritually in Small Groups* Dann Wigner, 2022-05-09 Mystical experiences are happening every day yet as amazing as the experiences can be it is often difficult to integrate these experiences into the rest of life In light of this difficulty I have created mystical reflection as a simple method for sharing one's own mystical experiences in a group setting and listening to the experiences of others in a non judgmental way The theological principle at work here is that if God speaks then everyone can benefit from it Mystical reflection takes this principle seriously and offers a method of application for integrating the spiritual insights into each person's spirituality

Good Is the Flesh Jean Margaret Denton, 2005 **Lectio Divina--The Sacred Art** Christine Valters Paintner, 2011-05-27 Break open this ancient contemplative practice of listening deeply for God's voice in sacred texts Drawing on her own experience as a monk in the world Christine Valters Paintner introduces the foundations for a practice of lectio divina She closely examines each of the four movements of lectio divina as well as the rhythm they create when practiced as a process
