one day putting his own story to paper Teacher Man shows McCourt developing his unparalleled ability to tell a great story as five days a week five periods per day he works to gain the attention and respect of unruly hormonally charged or indifferent adolescents McCourt's rocky marriage his failed attempt to get a Ph D at Trinity College Dublin and his repeated firings due to his propensity to talk back to his superiors ironically lead him to New York's most prestigious school Stuyvesant High School where he finally finds a place and a voice Doggedness he says is not as glamorous as ambition or talent or intellect or charm but still the one thing that got me through the days and nights For McCourt storytelling itself is the source of salvation and in Teacher Man the journey to redemption and literary fame is an exhilarating adventure
