Dictionary of Angels Gustav Davidson, 1994-10 An investigation of the evidence in Talmudic gnostic apocalyptic partristic and legendary texts concerning immortal winged beings **Visitations to Heaven and Talking with Angels** Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations Prior to standing on a cloud and viewing all of Heaven's beauty and glory my answer would have been an emphatic no However I found myself standing on a fluffy impenetrable white cloud witnessing the beautiful holy city called Heaven and then I saw Him His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords There are nine classifications of Angels all having different assignments Some have four faces one resembling that of a man and the other three faces are the likenesses of animals Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has a prepared a residence for all those who love Him Many personal visitations of Angels and that of Heaven are included in this writing In fact it was an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural **The Angels in Heaven Rejoice** David Cerullo, 2003 *Amazing Questions Kids Ask about Heaven and Angels* David R. Angels and Angelology in the Middle Ages David Keck,1998-07-23 Recently angels have made a remarkable comeback in the popular imagination their real heyday however was the Middle Ages From the great shrines dedicated to Michael the Archangel at Mont St Michel and Monte Garano to the elaborate metaphysical speculations of the great thirteenth century scholastics angels dominated the physical temporal and intellectual landscape of the medieval West This book offers a full scale study of angels and angelology in the Middle Ages Seeking to discover how and why angels became so important in medieval society David Keck considers a wide range of fascinating questions such as Why do angels appear on baptismal fonts How and why did angels become normative for certain members of the church How did they become a required course of study Did popular beliefs about angels diverge from the angelologies of the theologians Why did some heretics claim to derive their authority from heavenly spirits Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible Metaphysics and mystery plays prayers and pilgrimages Cathars and cathedrals all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways

Angels and Wonders Joan Wester Anderson,2009-03-09 Sometimes the only answer is an angel As a woman flees an abusive boyfriend her gas tank on empty money materializes in her empty purse Millions of fireflies suddenly appear and offer guiding light to desperate refugees trying to find a path through a mountain storm Two women strongly sense that a missionary priest far away needs prayer at the exact moment when he faces catastrophe These are just a few of the more than thirty true stories recounted in Angels and Wonders a book that points readers to the spiritual realm for answers to otherwise inexplicable occurrences For anyone inclined toward spirituality each amazing story provides further proof of God s heavenly care in difficult times for those who aren t sure if heaven really does intervene on earth this book provides plenty of reasons for them to doubt their disbelief
