Body Sex And Pleasure Reconstructing Christian Sexual Ethics:

Body, Sex, and Pleasure Christine E. Gudorf, 1994 Perhaps no other single moral issue today is as hotly contested or as divisive as sexuality Offering a bold and hopeful vision of how Christians and all people of goodwill can view this explosive topic ethicist Christine Gudorf proposes nothing less than a sweeping challenge to traditional Christian teaching on sexual roles activities and relationships Deftly drawing on Scripture natural law historical and contemporary Catholic and Protestant theology the social sciences and significantly the lived experiences of today's women and men Gudorf presents a carefully crafted and systematic reconstruction of Christian sexual ethics Her aim above all is to engender appreciation not rejection and shame of our bodies and our sexuality Contending that body sex and pleasure are divine gifts revealing God's grace Gudorf emphasizes the need to understand sexual desire as a positive good a source of love and commitment She further explores the relationship between sexuality and reproduction arguing that procreationism the assumption that the sole aim and ultimate end of sexuality must always be offspring is unjust and oppressive Written with insight clarity and compassion *Body Sex and Pleasure* is a provocative and compelling call to all women and men to reject the damaging influence of body/soul dualism and ultimately to do justice to the Incarnation the central revelations of Scripture and human dignity

Reenvisioning Sexual Ethics Karen Peterson-Iyer, 2022-04-01 In *Reenvisioning Sexual Ethics* Karen Peterson Iyer applies a feminist Christian framework to practical sexual issues facing young adults today from sexting and hook up culture to sex work and sex trafficking This feminist justice based approach to sexual ethics will facilitate meaningful discussion about sexual agency and flourishing

Sexual Fulfillment Herbert W. Chilstrom, Lowell O. Erdahl, This book approaches some of the more difficult to discuss areas of human sexuality singles and sexual fulfillment unmarried persons and sexual fulfillment same sex relationships and sexual fulfillment in the elder years The authors distinguish between life giving sex and life degrading sex They then discuss healthy sexuality in a variety of life stages and relationships With a pastoral and compassionate tone the authors explore the issues Christian people face with respect to the experience and expression of their sexuality Questions for discussion are intended both to elicit personal reflection and to move congregations to become safe places

Erotic Attunement Cristina L. H. Traina, 2011-12-01 Heightened awareness of the problem of sexual abuse has led to deep anxiety over adults touching children in nearly any context Though our society has moved toward increasingly strict enforcement of this taboo studies have shown that young children need regular human contact and the benefits of breastfeeding have been widely extolled Exploring the complicated history of love desire gender sexuality parenthood and inequality *Erotic Attunement* probes the disquieting issue of how we can draw a clear line between natural affection toward children and perverse exploitation of them Cristina L H Traina demonstrates that we cannot determine what is wrong about sexual abuse without first understanding what is good about appropriate sensual affection Pondering topics such as the importance of touch in nurturing children the psychology of abuse and victimhood and recent

ideologies of motherhood she argues that we must expand our philosophical and theological language of physical love and make a distinction between sexual love and erotic love Taking on theological and ethical arguments over the question of sexuality between unequals she arrives at the provocative conclusion that it can be destructive to completely bar eroticism from these relationships *A Blackqueer Sexual Ethics* Elyse Ambrose, 2024-05-30 In *A Blackqueer Sexual Ethics* Embodiment Possibility and Living Archive Elyse Ambrose looks to an archive of Blackqueerness as an authoritative source for religious ethical reflection This approach counters the disintegrative norms of anti Black and anti body traditionalism in Christian sexual ethics even those that strive to be liberative It builds upon a tradition of Black queer and LGBTQ centered critique at the intersections of race sexuality gender and religion through exploring the moral imagination of sexual and gender non conformist communities in 1920 s Harlem their rent parties blues environments and Hamilton Lodge Ball ethics and theology blackqueering the disciplines and contemporary oral histories including photographs of the subjects by the scholar artist of those doing ethics in their Blackqueerness These serve as integrative sites that signal Blackqueer ethical counter patterns of communal belonging individual and collective becoming goodness embodied spirit inspirited bodies and shared thriving Emphases on both personal and social right relatedness mark a shift from Christian sexual ethics based on rules toward a communal relations based transreligious ethics of sexuality *God, Desire, and a Theology of Human Sexuality* David H. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ s incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the ramifications of the Lord s Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics *The Oxford Handbook of Theology, Sexuality, and Gender* Adrian Thatcher, 2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research *Philosophy of Love, Sex, and Marriage* Raja Halwani, 2018-01-29 How is love different
