Grow Your Christian Life InterVarsity Staff, 1962-09-01 This three month Bible study guide covers sin evangelism relationships knowing God's will spiritual growth and many other topics **Where Are We Now** Bill Beckham, New movements in the Kingdom of God are either promoted by men or are an organism created by the Spirit of Christ Man has formed many structures created to defend doctrines organization formats etc Some of these are church based and some are simply castles standing among the Para church groups built by men who seek personal significance by forming a structure often named after themselves Bill Beckham has painstakingly evaluated current movements existing around the world today The reader will be encouraged to evaluate his or her commitment to the various models presented Those who seek to manipulate groups for growth will find in Bill's chapters a new paradigm one as old as the book of Acts presently being restored for the Last Days witness **Spiritual Warfare Strategy** C. Peter Wagner, 2011-07-19 Discover how Jesus and the early Church overcame the enemy and you can overcome too We live in a day when the Holy Spirit is speaking strongly to the churches about aggressively retaking the dominion over creation that Adam forfeited to Satan This level of spiritual warfare is a new ministry area to many Kingdom minded believers Spiritual Warfare Strategy provides a biblical and theological rationale as well as practical tools for advancing God's Kingdom Dr C Peter Wagner examines the role spiritual warfare played in Christ's ministry and among His first followers and applies it to today's battle *The Spirit-Filled Small Group* Joel Comiskey, 2009-11 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only God's supernatural power can draw people to the truth and liberate them to be all that God wants them to be Only through the Spirit's power can we expect to see the miracles that Jesus talked about when He said that if we would abide in Him we would bear much fruit and even do greater works than He did while He was on earth The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups relates to small group technique and only touches briefly on the Spirit's power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The book's first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1:8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts Small group facilitators often feel ill prepared to identify spiritual gifts of the people in the group I firmly believe that the small group atmosphere is the perfect place to develop the gifts of the Spirit in each member's life and

so it is essential that the facilitator know how to do this Whatever denominational or non denominational label a church wears the most important characteristic in my opinion is promoting individual sensitivity devotion and dependence on the Holy Spirit In a Holy Spirit charged atmosphere cell leaders are best raised up and members are encouraged to minister in their giftedness This book has been written for those who are leading facilitating a small group participating in a small group or considering joining a small group Group members should read this book for two particular reasons First members make a significant contribution to the life of the cell Each member will be intimately involved in causing supernatural events to happen using the gifts intercession etc In the life of the group no one is to sit back and do nothing The best cell leaders in fact rarely lead the entire cell instead encouraging cell members to participate actively Second members are the next in line to actually lead the small group I am assuming that the readers of this book are believers who desire God and are seeking to walk in the Spirit I am also assuming that those reading this book are studying the Bible and growing in their relationships with the Lord There are many great books dedicated to defining each spiritual gift in detail Many other authors cover gifts beyond the scope of this book such as voluntary poverty hospitality celibacy missions exorcism martyrdom artistic creativity craftsmanship and music Rather than cover every possible gift this book will focus on how the Spirit uses gifts in the small group context and guides the leader to facilitate a Spirit filled group Because this book is written to lay leadership rather than senior leaders of the Church I will not cover in detail the five fold offices that Paul mentioned in Ephesians 4 8 Instead the gifts I will cover in this book are explicitly listed in Scripture the one exception is intercessory prayer which I call a spiritual gift although some would disagree

Christ Changing Lives Rod Culbertson, 2018-07-31 If you are involved in the local church or any ministry that wants to create an ethos of Christian growth and education or disciple investing Christ Changing Lives Digging Deeper into the Practice of Disciple Investing is a book that will assist you in thinking through a philosophy of how to invest in followers of Christ Following up on the introductory material of its earlier companion book The Disciple Investing Life Christ Changing Lives will take the reader into a thoughtful treatment of systems of discipleship the art of diagnosis situations one might encounter in the discipling process and how to create balanced disciples The book will also conclude by providing some helpful ideas about how to disciple others in a local church or campus ministry setting Both church and ministry leaders as well as those seriously interested in the task of disciple investing should profit from the practical ideas contained in this insightful publication

Discover Your Spiritual Gifts C. Peter Wagner, 2012-05-14 Which of God's gifts has your name on it When you become a follower of Christ you receive gifts from the Holy Spirit How can you know for certain which gifts you have And once you do know how should you use your gifts to best serve God Discover Your Spiritual Gifts gives you life changing answers to these questions and more In this trusted study you will be introduced to the 28 biblical gifts learn the definition and history of each one and examine biblical and modern day examples of people who share those gifts By using the included questionnaire you will be able to identify your specific gifts and find ways to use them

in a community of faith This edition contains a new Bible study for personal reflection or for use in a small group setting that will help you explore in greater detail each of the gifts that Dr Wagner discusses *Discipleship Essentials (Volume 2 of 2) (EasyRead Super Large 24pt Edition)* , **Discipleship Essentials (Volume 2 of 2) (EasyRead Super Large 20pt Edition)** , The Second Reformation Bill Beckham,2014-01-01 Martin Luther would have written a glowing recommendation of this book if he were alive today In part one Beckham explores the traditional church paradigm and the history that drives it compared to a cell based model for church life In part two Beckham explains how the structure of a cell based church reflects God s nature and embraces both Christ s transcendence and immanence In the third part of the book Jesus revolutionary design for the church is explored The Second Reformation Reshaping the church for the 21st century is a thinking man s guide to the cell based church *Discipleship Essentials (EasyRead Super Large 18pt Edition)* ,
