Administration For Development In Nigeria Introduction And Readings:

Administration for Development in Nigeria Paul D. Collins, This classic text originally published in 1948 is a study of the public administration movement from the viewpoint of political theory and the history of ideas It seeks to review and analyze the theoretical element in administrative writings and to present the development of the public administration movement as a chapter in the history of American political thought The objectives of The Administrative State are to assist students of administration to view their subject in historical perspective and to appraise the theoretical content of their literature It is also hoped that this book may assist students of American culture by illuminating an important development of the first half of the twentieth century It thus should serve political scientists whose interests lie in the field of public administration or in the study of bureaucracy as a political issue the public administrator interested in the philosophic background of his service and the historian who seeks an understanding of major governmental developments This study now with a new introduction by public policy and administration scholar Hugh Miller is based upon the various books articles pamphlets reports and records that make up the literature of public administration and documents the political response to the modern world that Graham Wallas named the Great Society It will be of lasting interest to students of political science government and American history

Administration for Development in Nigeria Paul D. Collins, *Representative Bureaucracy, Meritocracy, and Nation Building in Nigeria* Bola Dauda, Toyin Falola, 2015-12-18 This book is a comprehensive theoretical and empirical investigation of the practical application of representative bureaucracy in Nigeria Part I consists of four chapters beginning with a theoretical and an historical overview of representative bureaucracy and policy making in Nigeria This includes a discussion of the myths contradictions and the resultant dilemmas of administration It highlights the complexities and intricacies of public policy making and examines the concept of representative bureaucracy including its meaning forms criticisms prospects limitations and history It also examines the need for administrative reforms what reforms have taken place and the country's search for appropriate bureaucracy for nation building Part II details the objective and empirical facts regarding the representativeness of bureaucracy in Nigeria and its implications Unlike past approaches this book provides solid evidence of what difference representative bureaucracy actually makes on the ground Using a novel and rigorous methodological approach the actual impact of the civil service on policy making is assessed and insights are provided into how a more representative bureaucracy affects policy The approach is enhanced by the authors' advantage as Nigerian scholars who had both worked in the Nigerian political system as civil servant and university professors This landmark study will be of value to scholars and students of Nigerian and African political economic and social development

Socio-Cultural and Religious Conflicts and the Future of Nigeria Lotanna Olisaemeka, 2022-12-10 With the prevailing violent conflict situation of our world perpetuated sometimes even in the name of religion humanity today faces extinction To reverse this ugly trend humanity has no choice than to build a society where every tribe and tongue can coexist

in peace This work analyzed the violent conflicts from anthropological behavioral politico philosophical and theological perspectives and makes a demand on humanity to save herself through proper education and dialogue with all men and religions Lotanna Olisaemeka is a researcher in Missiology affiliated with the Philosophisch Theologische Hochschule Vallendar Germany Democracy and Prebendal Politics in Nigeria Richard A. Joseph,2014-02-06 Originally published in 1987 this book examines the relationship between the pattern of party formation in Nigeria and a mode of social political and economic behaviour Richard Joseph terms prebendalism He demonstrates the centrality in the Nigerian polity of the struggle to control and exploit public office and argues that state power is usually viewed by Nigerians as an array of prebends the appropriation of which provides access to the state treasury and to control over remunerative licenses and contracts In addition the abiding desire for a democratic political system is frustrated by the deepening of ethnic linguistic and regional identities By exploring the ways in which individuals at all social levels contribute to the maintenance of these practices the book provides an analysis of the impediments to constitutional democracy that is also relevant to the study of other nations

Risks, Resilience and Interdependency Guang Yang,Jing Zhang,Xinghan Xiong,Lanyu Liu,2025-07-18 This open access book is a collection of selected papers from the 3rd Tsinghua Area Studies forum by the Institute for International and Area Studies IIAS at Tsinghua University in Beijing theming at Developing Countries in the Age of Uncertainties Risk Resilience and Interdependency From the perspective of area studies the risks faced by more fragile developing countries in an environment of uncertainty and the resilience and interdependency exhibited in the face of risks were discussed The discussion was a brave attempt by the IIAS to inject more certainty into the uncertain world A total of 131 papers by scholars from various countries were presented in this forum After the forum the editorial group of the IIAS Forum Proceedings selected ten outstanding papers and compiled them under the title Risk Resilience and Interdependency Developing Countries in the Age of Uncertainty **Nigeria** Martin P. Mathews,2002 Nigeria seems to be in the news all of the time for something be it regime changes co operation internal strife or oil policies The most populous country in Africa and the largest in area in the West African state Nigeria was an early twentieth century colony that became an independent nation in 1960 A country of great diversity because of the many ethnic linguistic and religious groups that live within it borders Nigeria is also a country with a long past This book brings together current issues and a detailed historical background

Decentralisation in Commonwealth Africa Janet Kathyola,Oluwatoyin Job,2011 Through detailed case studies of decentralisation policies in five sub Saharan African countries Botswana Cameroon Ghana Mozambique and Tanzania this book examines the challenges presented lessons learned and recommends ways to improve policy implementation *Farm Production and Resource Use Patterns of Farmers in a Rural Nigerian Community* Robinson Okuoimose Eboigbodin,1986
