

BUSINESS ADMINISTRATION

Whether you are planning to open a new business, managing or operating a business, the fundamentals of management, finance, marketing, human resources & public relations basically remains the same. The Certificate & Diploma programs of the American Academy of International Education (AAIE) have been designed by successful business and academic professionals who have studied business administration at prestigious local and foreign universities. The program encompasses the traditional and non-traditional modern-teaching methodologies, which are challenging, inspiring and developing your business acumen and critical thinking.

From the basics of setting-up a new small business, to the complexities of corporate laws, tax laws, human relations to public relations and marketing (domestic & international), to the concept of Six-Sigma, Kaizen, and Case-Studies – you will become an important part of the group which will learn business administration at a small, little-known institute, but at the same time, acquire the knowledge comparable to those graduating from Ivy League Colleges.

Competency Based accelerated programs, based on credit for previous studies, experience, research or examination, may allow you to complete the program in less time. Most courses, including Continuing Education Programs, may be available on-campus, on-line or a combination thereof.

American Academy of International Education offers more than 600 courses in 35+ exciting careers. Students have the option to take just one course from any prescribed curriculum or study for the whole program. We offer a unique 'Modular' curriculum, allowing our students and/or graduates to study or transfer to any other profession within our institution, without losing time and money, graduate and start your own business, or become employable in multiple careers.

New Classes begin in January, April, July & October on 3-month Trimester basis. Scholarships, Student Loan or Pay-As-You-Study programs are available. Classes are held during the day, evening or weekends for your convenience.
