Le Marquis de Lafayette

Adrienne Ou La Vie De Mme De La Fayette:

Adrienne; Ou La Vie Mme de LaFayette André Maurois, 1965

The Worlds of André Maurois Jack Kolbert, 1985

The centennial of Andre Maurois's birth in 1885 has made this a most appropriate moment to produce a comprehensive work assessing his role as one of the leading literary figures in the Western world Jack Kolbert's *The Worlds of Andre Maurois* draws heavily from his close personal association with Maurois as well as from painstaking analyses of each of Maurois published works and of many of his unpublished and private papers Maurois had the virtue of serving as a supreme communicator a writer who could transform the most complex subject matter into readable tidily organized and above all lucid works of prose narrative Unchallenged as the foremost biographer of 20th century literary figures he also produced well written and accurate histories of the three nations he knew best France England and the United States For decades his novels and short stories enjoyed worldwide popularity *Climats* may well be regarded as a novelistic classic and his science fiction continues to attract many readers With a warm spirit of appreciation Jack Kolbert's monograph covers all of the major aspects of this fascinating literary figure his human characteristics his presence in French and international society the persons who peopled his private and public worlds his great biographies novels short stories histories essays and articles of criticism Kolbert's study on Maurois is probably the most comprehensive work on this subject to date

Lafayette in the Age of the American Revolution—Selected Letters and Papers, 1776-1790 Le Marquis de Lafayette, 2019-05-15 The second volume in this distinguished series provides a comprehensive picture of the Franco American alliance and of the day to day problems of conducting the War of Independence as reported by Lafayette and his correspondents on both sides of the Atlantic Volume II begins with Lafayette's reunion with the main army at Valley Forge in the spring of 1778 after an assignment to Albany It follows him on his return to France in January 1779 on leave from the American army and ends in the spring of 1780 when he was sent back to America to announce the coming of the French expeditionary force and to help formulate American plans for cooperation with the French forces Complementing Lafayette's personal memoirs which open the two parts of the book are exchanges of letters with such prominent figures as George Washington¹ Henry Laurens Benjamin Franklin the Comte d'Estaing John Paul Jones and the Comte de Vergennes The documents and letters written in English are published as they appear in the manuscripts those written in French appear both in the original and in translation Much of the basic material for this series which will comprise six volumes is drawn from Lafayette's own collection of manuscripts A brilliant portrait of Lafayette in his own words the books reveal much more complex elements in his character and outlook than have been apparent before

Lafayette Olivier Bernier, 2017-10-24 Historian Olivier Bernier draws an indelible portrait of the man who represented more than anyone else the idea of French nobility to all Americans of the early Republic and who represented to the French the idea of freedom and its American expression Lafayette was indeed the hero of two worlds Bernier's Lafayette much of it based on previously inaccessible documents is a man who lived the

liberal ideal as few others have In the war for American independence this twenty year old was a stubborn tenacious and ultimately victorious commander the favorite of George Washington with whom he developed a unique father son relationship Returning to Paris with yearnings for a liberalized government he was soon caught up in the 1789 revolution first as its champion then as the guardian of the king finally as the only man capable of maintaining order in 1790 and 1791 Once the king fled the capital however Lafayette s position became untenable and he was forced to escape to Belgium But there the right wing emigres considered him a traitor and he was arrested and sent to Austria where he languished in prison for years Finally the diplomatic efforts of George Washington and other Americans led to his release and return to France Now Napoleon feared him as a potential rival a fear heightened when Lafayette went into self imposed exile to protest Napoleon s abuse of power During the revolution that followed Napoleon s downfall Lafayette maintained his liberal principles as few others bothered to and his position was vindicated by the uprising that installed the July monarchy and France s first middle class constitution Enriching this chronicle of a man and his age are the stories of young Gilbert s many loves as well as the steadfast relationship with his adoring wife And never far from the marquis s heart was his love for his adopted home He maintained it through a forty year correspondence with the Founding Fathers and an unrelenting if often quixotic defense of liberal ideals For its part the young American republic knew no grander celebrations than those thrown in honor of his return in 1824

Lafayette in Two Worlds Lloyd S. Kramer, 2000-11-09 Lloyd Kramer offers a new interpretation of the cultural and political significance of the career of the Marquis de Lafayette which spanned the American Revolution the French Revolutions of 1789 and 1830 and the Polish Uprising of 1830 31 Moving beyond traditional biography Kramer traces the wide ranging influence of Lafayette s public and personal life including his contributions to the emergence of nationalist ideologies in Europe and America his extensive connections with liberal political theorists and his close friendships with prominent writers many of them women Kramer places Lafayette on the cusp of the two worlds of America and France politics and literature the Enlightenment and the Romantic movement public affairs and private life revolution and nationalism and men and women He argues that Lafayette s experiences reveal how public figures can symbolize the aspirations of a society as a whole and he stresses Lafayette s important role in a cultural network of contemporaries that included Germaine de Stael Benjamin Constant Frances Wright James Fenimore Cooper and Alexis de Tocqueville History Biography

The Virginia Dynasty Lynne Cheney, 2021-09-21 The narrative offers informed exacting characterizations of the uncertain political alliances strained interactions and ideological growing pains that elites of the post revolutionary decades put the country through Andrew Burstein The Washington Post A vivid account of leadership focusing on the first four Virginia presidents George Washington Thomas Jefferson James Madison and James Monroe from the bestselling historian and author of James Madison From a small expanse of land on the North American continent came four of the nation s first five presidents a geographic dynasty whose members led a revolution created a nation and ultimately changed

the world George Washington Thomas Jefferson James Madison and James Monroe were born grew to manhood and made their homes within a sixty mile circle east of the Blue Ridge Mountains Friends and rivals they led in securing independence hammering out the United States Constitution and building a working republic Acting together they doubled the territory of the United States From their disputes came American political parties and the weaponizing of newspapers the media of the day In this elegantly conceived and insightful new book from bestselling author Lynne Cheney the four Virginians are not marble icons but vital figures deeply intent on building a nation where citizens could be free Focusing on the intersecting roles these men played as warriors intellectuals and statesmen Cheney takes us back to an exhilarating time when the Enlightenment opened new vistas for humankind But even as the Virginians advanced liberty equality and human possibility they held people in slavery and were slaveholders when they died Lives built on slavery were incompatible with a free and just society their actions contradicted the very ideals they espoused They managed nonetheless to pass down those ideals and they became powerful weapons for ending slavery They inspired Abraham Lincoln and Frederick Douglass and today undergird the freest nation on earth Taking full measure of strengths and failures in the personal as well as the political lives of the men at the center of this book Cheney offers a concise and original exploration of how the United States came to be

Adams Family Correspondence Lyman Henry Butterfield, Marc Friedlaender, 1963 **Lafayette, Hero of Two Worlds** Olivier Bernier, 1983 Lafayette is known as a man who loved liberty so well that he devoted his life to it He fought for liberty in America as well as in France But whereas he is known as a hero in America he is often considered to be either a traitor or a fool in France *Apparat / Kommentar / Anhang* Friedrich Gottlieb Klopstock, 1995-12-14 Friedrich Gottlieb Klopstock 1724 1803 ist einer der bedeutendsten Dichter der deutschen Literaturgeschichte Er gilt als Wegbereiter der Empfindsamkeit des Sturm und Drang und der Erlebnisdichtung Als genialer Sprachschöpfer schuf er mit seinem Epos Der Messias seinen Oden Dramen und poetologischen Schriften ein Werk von bleibender Bedeutung Durch seine Beziehungen zu einem weit gespannten Dichter und Aufklärer Kreis war er ein Fokus der intellektuellen Welt seiner Zeit Die Hamburger Klopstock Ausgabe ist die erste wissenschaftliche Ausgabe der Werke und Briefe Klopstocks Sie macht das Gesamt der handschriftlich und gedruckt überlieferten Texte zugänglich und in historischen Zusammenhängen überschaubar Große Bestandteile des Materials sind bislang unbekannt oder unveröffentlicht und von der Forschung unberücksichtigt geblieben Aufgrund der Vollständigkeit und der Editionsmethode bietet die Hamburger Ausgabe eine sichere Grundlage für die Erforschung Klopstocks und seiner Zeit Die Ausgabe gliedert sich in drei Abteilungen Werke Briefe und Addenda Die Abteilung Werke umfasst die Edition bzw Auswertung der Überlieferung zu allen Texten die Klopstock in literarischer und wissenschaftlicher Absicht geschrieben und bearbeitet hat Damit werden nicht allein bisher unpublizierte Werke der Gelehrtenrepublik und der Grammatischen Gespräche sowie Übersetzungen Klopstocks aus antiken Autoren zugänglich gemacht vielmehr wird auch die Variationsbreite der Texte selbst vor Augen geführt die kennzeichnend ist für Klopstocks

unentwegtes Bemühen um die vollkommene inhaltliche und sprachliche Ausformung eines Werkes
