Around the world there are a lot of children who suffer from different diseases, running **(32)**_____ time and hope. The biggest charity project in Russia is 'Contribution to the Future' whose goal is to help any child in need. Its programmes help poor, homeless and disabled children.

There are a lot of people in the world who have chosen charity as their main mission in life. One of the most famous missionaries was Mother Teresa. She lived the hard life of the poor alongside them; she knew how it felt sleeping on hard floors and living on dirty streets. And because she was experiencing **(33)**_____ what the people she was helping were going through, she so effectively knew how to give. Besides meeting people's basic physical needs by giving them food and medicine, she met people's emotional needs as well.

A lot of rich people also feel the necessity to help the poor. For example, Bill Gates is a famous billionaire, but he is also a noted philanthropist who donated the proceeds of his successful books to **(34)**_____ educational organizations. He has also given millions to initiatives in global health and learning, hoping to **(35)**_____ more and more people to have access to **(36)**_____ facilities in these areas. A good example is the opening of 'The School of the Future' in Philadelphia, sponsored by his company 'Microsoft'.

The spirit of philanthropy is not about what or how much you give but rather about the feeling that you are helping others in need.
