unexpected event created an immediate awareness of a loving Inner Presence within her heart and a connection to another higher level of peace contentment and greater knowledge She now knows that Inner Presence waits patiently to manifest within each person and much of The Secret of Inner Presence is about providing the keys to bring about that shift in consciousness As each of the eleven keys is practiced and experienced the transformation toward a more complete understanding of the core self will gradually evolve through the loving guidance of the conscious Universe One of the eleven keys opens the way to intuitively listen to the many voices that will assist in this transformation through healing new insights dreams problem solving and caring advice Another key opens the way to deepen intuitively to the level of receiving messages from the Universe and possibly finding the guides that have been available since birth This process is called Stream of Consciousness writing and the powerful dialogues and inspirational poems the author has received in this way for many years are found in each chapter Chapter by chapter each of the eleven keys is presented by both the spiritual Universe and the author to help guide the reader to a higher dimension of the self

In the Secret of His Presence George Halley Knight, 2019-01-13 APART from strictly devotional books a large proportion of the practical Christian literature of the day concerns itself rather with the outer manifestations of the Christian life than with its inner experiences The Christian as he moves among men is in view rather than the Christian as he is alone with God Books of this class are invaluable helps to Christian living and can hardly be multiplied too much But along with these there may be some room for books of another class books dealing specially with the inner soul experiences which vitalise the life that is seen This volume is meant to be of such a kind to set forth in some degree the sacred privilege of secret fellowship with God and to urge the need of making that intercourse with Him more frequent and more prolonged If it helps any reader of it to realise more fully the joy to be found in the secret place of meditation and prayer its purpose will be fulfilled

The Secret to Spiritual Strength Bill Vincent,2023-04-28 The thing God kept speaking to me today was how many And how often might we have robbed ourselves of a blessing How many times and how often do you think it takes place that you tie down hands or rob yourself of a blessing Because sometimes we ll react rashly or so negatively about a situation instead of responding in the way God wants us to respond And I believe we have blown our blessings I believe some of this we started talking about last week but God s saying he wanted me to talk about this part this week where we need to understand that sometimes it s not the devil Sometimes it s not it s not somebody else But it s we have robbed ourselves of a blessing You say oh God doesn t work that way You got anybody here ever have a father everybody has a father a dad anybody here has a mother Everybody has a mother even no matter what And I m telling you when we look at this let s say for an example we have two girls both the same mother and let s say this one cleans a room This one gets all the things are taken care of she s supposed to do And this one does not There are certain benefits this one s gonna get Because this one has done and has been obedient to do what they re supposed to do The one that was disobedient and said I don t want to do it right now I don t care I don t want to clean my room it is too messy They don t receive the blessings because of obedience they believe they receive a blessing for their disobedience And what that means is they re going to get something because of their obedience And they re not because of their disobedience So the way God looks at us is the same way whenever he tells us to do something and we don t respond the way we re supposed to But it actually can rob us And just so you know not every time does God necessarily say Joshua you re supposed to write those things down and study them through because I m just trying to speak to you doesn t necessarily mean that you have to be obedient by something that God said to you Sometimes it

s about God put laying something on your heart I went through a season of being robbed by the Spirit because God told me to give somebody 20 So when I finally caught up and I realized I shouldn t give them 20 I gave them 40 Because I figured I had some interest to make up Sometimes we get to the place
