Adelinas Whales:

Classroom Discussions in Education P. Karen Murphy, 2017-09-22 Classroom discussion is a concept familiar across the field of education and is often employed to support students comprehension of text Edited by a leading expert on classroom discussion this book situates the topic within the broader context of educational psychology research and theory and brings it to a wider audience Five chapters describe in detail the different approaches to discussion and provide recommendations for best practices and curricular materials for student success This concise volume is designed for any education course that includes discussion in the curriculum and is indispensable for student researchers and both pre and in service teachers alike

Equitable Access for English Learners, Grades K-6 Mary Soto, David E. Freeman, Yvonne S. Freeman, 2019-12-20 Plain and simple until our English learners have equitable access to the curriculum they ll continue to struggle with subject area content And if you re relying on add on s to fit in from your language arts basal or a supplementary program Mary Soto David Freeman and Yvonne Freeman are here to equip you with much more effective efficient and engaging strategies for helping your English learners read and write at grade level One assurance right from the start Mary David and Yvonne are not suggesting you reinvent your curriculum Instead Equitable Access for English Learners Grades K 6 focuses on how to fortify foundational practices already in place First you ll learn more about the Equitable Access Approach then it s time to dive into the book s four units of study Drawing on each unit s many strategies you ll discover how to apply them to any unit in your own language arts curriculum and start differentiating How to draft and implement language objectives to help English learners meet academic content standards How to make instructional input comprehensible including translanguaging strategies that draw on your students first languages when you don t know how to speak them How to utilize the characteristics of text to support readers along with a rubric for determining a text s cultural relevance How to build students academic content knowledge and develop academic language proficiency Each unit addresses a commonly taught topic in today s language arts programs and comes with ready to go review and preview activities key strategies grade level adaptations reflection exercises and printable online resources Taken as a whole they constitute an all new approach for providing that equitable and excellent access our English learners so rightfully deserve When you adopt our Equitable Access Approach your students will not only thrive they ll also find your language arts curriculum much more meaningful and engaging Mary Soto David E Freeman and Yvonne S Freeman

Crossing Boundaries with Children's Books Doris Gebel, United States Board on Books for Young People, 2006-05-25 This annotated bibliography organized geographically by world region and country describing nearly 700 books representing 73 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children s literature It is the third volume sponsored by the United States Board on Books for Young People The first Carl M Tomlinson s Children s Books from Other Countries 1998 is a compendium of international children s literature with annotations of both in and out of print books

published between 1950 and 1996 Susan Stan's *The World Through Children's Books* 2002 was the second and it included books published between the years 1997 and 2000 *Crossing Boundaries* includes international children's books published between 2000 and 2004 as well as selected American books set in countries other than the United States Editor Doris Gebel has compiled an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity Scott Foresman Reading Street, 1985 A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles Whales Doug Thompson, 2006 Ever since his first contact with a gray whale as a teenager Doug Thompson has had a passion for this majestic marine mammal Here he shares stories of whales he has met over his 30 year career in particular the friendly Gray whales of San Ignacio Lagoon in Baja Mexico He describes the thrill of interacting with these gentle giants who seek out human contact within their birthing lagoons Weaving his own and others fascinating personal accounts with factual information he describes the hidden lives of whales their mysterious migrations and the modern threats they face in the world's waters He also chronicles the efforts of human champions who are working to end whale hunting and promote whale watching a far preferable economic alternative worldwide Ideal for seasoned whale watchers and the general interest reader this appealing package includes photos and maps as well as a first rate companion DVD Soundings, 2005 Yoga Journal, 2005-12 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **Treasures Grade 4: Beyond (Practice Book B)** □□□, 2007 California Treasures is a research based reading and language arts program for Grades K 6 that builds a lifelong love of reading through explicit systematic instruction coupled with time honored classics contemporary nonfiction and rich literature addresses the four key aspects of language

arts every day listening speaking reading and writing integrates print resources with digital resources providing teachers with options for teaching styles offers an equitable parallel Spanish program California Tesoros de lectura follows California's revised English language development standards by incorporating the required English language support into the program and providing a complete English language development component to assist students transitioning into English

Adelina's Whales ,2003 Adelina is a ten year old girl who lives in a quiet fishing village in Baja California Mexico Adelina has some very special friends the gray whales that come every year to spend the winter months and give birth to their calves in the protected lagoon near her home This beautifully photographed photo essay introduces young readers to a very special way of life offering insights into the world of these giant mammals of the sea Text and photographs by Richard Sobol
