Adolf Schlatter A Biography Of Germanys Premier Biblical Theologian:

Adolf Schlatter Werner Neuer,1996 Trying to reconcile Adolf Schlatter s theological profundity with his unfortunate obscurity has proven puzzling to a host of scholars How could this great German theologian and author with over 400 publications to his credit be so overlooked by American Christians In an effort to introduce Schlatter to a new generation of English speaking believers Robert Yarbrough has provided this easy to read translated biography of one of the greatest biblical theologians of the twentieth century Adolf Schlatter 1852 1938 was a theological professor writer pastor and speaker whose vision was for a more intellectually vigorous and orthodox German Protestant theology Adolf Schlatter is not a technical analysis of the theologian Rather Werner Neuer describes his biography as a sketch which introduces the man and the Christian in order to do justice to Schlatter s significance for theology and church history This sketch is complemented by sixty photographs and numerous excerpts from Schlatter s writings

Roots of Theological Anti-Semitism Anders Gerdmar,2009 Exploring the link between German biblical interpretation and anti-Semitism this book is a fresh comprehensive study of leading German exegetes concluding that although Nazism brought anti-Semitic exegesis to a head age old thought structures provided powerful legitimation for oppression

[The Holy Spirit and Christian Ethics in the Theology of Klaus Bockmuehl](#) Annette M. Glaw,2014-02-07 Klaus Bockmuehl 1931 1989 former Professor for Systematic Theology at Regent College Vancouver published outstanding theological ethical works The questions that Bockmuehl explored have not lost any relevance How do we know what God s will is in a particular situation Is Scripture sufficient for ethical decisions or should we listen to God Does God even speak today Is there a distinctive Christian ethic Bockmuehl s central contribution can be found in his emphasis on the seminal role the Holy Spirit plays within Christian ethics not only as the one who realizes the reign of God in the life of the individual but also as the one guiding the individual in a particular situation This book is the first in depth study of Bockmuehl introducing readers to his theology and ethics including a short biographical overview delineating and appraising how he understands the role of the Holy Spirit in Christian ethics It is not a book without criticism and its own creative contribution Annette Glaw concludes her fascinating study with a proposal for a relational concept of the Holy Spirit as the loving presence of God in Christian ethics

[The Judeo-Christian Thought of Franz Rosenzweig](#) Daniel M Herskowitz,2025-10-14 The Judeo-Christian Thought of Franz Rosenzweig offers a new interpretation of Franz Rosenzweig s magnum opus The Star of Redemption commonly treated as one of the high points of modern Jewish thought and demonstrates its profound immersion in the Protestant conceptuality of its time It argues that appreciating the decisive mark of Protestant thought on The Star solves many of its puzzles challenges some entrenched hagiographic orthodoxies about Rosenzweig and provides a unique perspective onto one of the most influential cases of the Protestantisation of Judaism The book shows that Rosenzweig s inventiveness resides in his weaving of Jewish and Christian motifs that result in an original scheme that is remarkably inclusive toward Judaism from a Christian perspective and

remarkably inclusive toward Christianity from a Jewish perspective The Star thus emerges anew not simply as a work of Jewish thought that is influenced by Christian theology but as a work that is more accurately characterised as Judeo Christian

The Scientification of the "Jewish Question" in Nazi Germany Horst Junginger, 2017-03-20 The Scientification of the Jewish Question in Nazi Germany describes the attempt of a considerable number of German scholars to counter the vanishing influence of religious prejudices against the Jews with a new antisemitic rationale As anti Jewish stereotypes of an old fashioned soteriological kind had become dysfunctional under the pressure of secularization a new more objective explanation was needed to justify the age old danger of Judaism in the present In the 1930s a new research field called Judenforschung Jew research emerged Its leading figures amalgamated racial and religious features to verify the existence of an everlasting Jewish problem Along with that they offered scholarly concepts for its solution

Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources *A History of the Quests for the Historical Jesus* not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates *A Hermeneutic of Wisdom* J. de Waal Dryden, 2018-07-03 This book develops an integrated hermeneutic that connects the Bible to spiritual formation and the development of Christian virtues The author shows how the whole Bible can be understood as a wisdom text that directs its readers morally shapes them in their deepest affections and convictions and impacts how they look at the world and live in it Offering an innovative hermeneutical approach it will serve as an ideal supplement to standard hermeneutics textbooks ***A Theology of John's Gospel and Letters*** Andreas J.
