Meanings of the Names of People and Places in the Old Testament Pat Crossin, 2019-10-21 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works 2 Timothy 3 16-17 This book contains not only a look at the meanings of people and places of the Old Testament but also a brief look at who the people were in that they really did live In most cases showing they had family and were a son or a daughter a brother or sister the father or mother of a person The book also tells where the places were and even in the meanings of their names there is great significance For every person and place written in the Bible there is a specific reason whether for the meaning of the name of a person as in the name Adam man red earth or in the name of a place as in Bethel house of God It will be very enlightening and edifying to see and understand their significance as this book is used as a study help The reader will also see while using this reference book that the contents of this book make looking at the meaning of the names easier And one will see more clearly that the mystery of God and his plan for his people can be found in the names of the children of Israel Christ in you the only hope of glory This is just one of the many treasures that is found while looking at the names of the priests and kings of Israel and Judah Whether a scholar or a layman there are many treasures to be found in studying the scriptures and I believe this reference book will be a blessing to anyone as an aid in searching out the hidden gems of the Word of God The Lord bless you

Companion Volume to the Analytical-Literal Translation: Third Edition Gary F. Zeolla, 2007-09-18 This book is a companion to the Analytical Literal Translation Third Edition ALT3 It will help the reader to understand the reasons for the unique translations often seen in the ALT This Companion Volume is divided into four sections The first section provides

background information for the ALT answers frequently asked questions about the ALT and overviews the ALT's unique features. The second section consists of Glossary and Translation Notes which explain the reasons for how important words are translated in the ALT. The third section is an eight part Grammatical Renderings section. This section explains the reasons for the unique translation of Greek tenses seen in the ALT. This section is detailed enough to be used as a primer on Greek grammar. The fourth section contains lists of Significant Textual Variants and Alternate Byzantine Text Readings. These lists will be of great value to the person interested in studying the issue of textual variants.

The International Standard Bible Encyclopaedia James Orr, 1915 **The Preacher's Complete Homiletical Commentary on the Old Testament: Chronicles**, 1892 Biblical Exegesis, Fourth Edition John H. Hayes, Carl R. Holladay, 2022-10-04. This is a beginner's guide to biblical exegesis providing exegetical methods, practices and theories. This book provides simple, helpful information and guidance about doing exegesis without being overly prescriptive. It succinctly introduces students to various methods, provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise. This revised edition of this perennially best-selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience. Several chapters have been updated and improved, and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy. Holladay has also written a new concluding chapter on exegesis as the art of seeing. Bibliographies are updated, and a helpful glossary is included in this new edition.
