same activities in the same order 1 listening for the target sound in a story 2 a structured listening exercise 3 handwriting training and practice 4 segmenting and blending sounds in real words reading 5 copying words 6 spelling dictation 7 reading stories written with words spellings taught so far Lessons are cumulative Each lesson builds on the previous lesson and only contains words with the sounds and spellings the child has been taught When lessons proceed at the recommended pace of 3 lessons per week most children become excellent readers writers and spellers in about 20 25 weeks For classroom teachers lessons will take about one school year It is advised that the later lessons last set be reviewed at the start of first grade

Research results A study on two kindergarten classrooms was carried out at the Willows School In Los Angeles Most children could not read at the start of school When they were tested at the end of the year 42% scored in the top 1% in the nation and 75% scored in the top 10% based on test norms All but one child scored well above average There are two components to this program The complete program must include both books The Sound Steps to Reading Handbook contains all lessons all exercises and worksheets The Sound Steps to Reading Storybook contains the full text of the story fragment that begins each lesson

The Wavy Tailed Warrior John Breck, 2021-03-27 Excerpt Scritch scratch scritch scratch went a noise in the woods not very far away from the pond where Doctor Muskrat was telling a story to Nibble Rabbit and Stripes Skunk Nibble's ears flew up the doctor got ready to dive Stripes hunched himself up and peered anxiously over his shoulder because the sound came from the only direction where he knew of a hole to hide in The willows where he first lived were over on the far side of the pond and Stripes simply hates to swim His tail gets all soggy so it's just as if you tried swimming with all your clothes on Scritch r r rip went the noise Patter

patter patter came footsteps of somebody running Then Nibble laughed Ho It s only old Tad Coon he said He s in kind of a hurry But when Tad Coon came out into the grassy space between the trees and the sand he was just strolling along as dignified as a duck in a puddle Morning Doctor Muskrat he said politely Hello Nibble Who s the visitor He knew all the time but he was just pretending to see what Stripes would do
