Mindfulness in Internet and New Media Wen-Ko Chiou, Chao Liu, Hao Chen, Shuhua Zhou, 2023-10-24 Mindfulness is about being aware in a certain way being consciously aware on purpose living in the present moment without mental judgment In addition to the in depth application of mindfulness in different subdisciplines of psychology e g social personality clinical developmental health organizational there is also a trend toward cross fertilization with other social and behavioral disciplines e g design kinesiology sociology family studies education anthropology neuroscience philosophy economics medicine organizational science However the application of mindfulness in the field of communication is limited With the rapid development of the Internet and new media the study of Internet communication is growing rapidly The Internet and new media make it easy to connect with others explore a new world and regard cyberspace as an extension of one s own thoughts and personality Nevertheless when people use the Internet and new media mindless they will easily experience the social effects on their virtual selves and encounter psychological problems e g network morality network anxiety network pornography network addiction and cyberbullying which has become a widespread and serious problem As an important part of positive psychology mindfulness intervention has been proved to help improve a series of negative psychological states and promote positive emotions and subjective well being However what theoretical and practical contributions can mindfulness in the Internet and new media bring remains unknown Thus this Research Topic focuses on the influence and intervention of mindfulness on the psychological problems

caused by the network new media communication We welcome high quality studies using a variety of research methods including quantitative qualitative mixed methods and reviews on the second generation of mindfulness interventions and other meditation based interventions e g focused attention meditation transcendental meditation and loving kindness meditation This Research Topic encourages submissions that cover but are not limited to the following topics 1 The internet and new media guided mindfulness and loving kindness meditation practice 2 Mindfulness and interpersonal communication in the network network trust network security network intimacy 3 Mindfulness and network clustering behavior 4 Mindfulness and online consumer psychology 5 Mindfulness and cyber moral psychology cyberbullying cyber altruism and prosocial behavior 6 Mindfulness and online pornography 7 Mindfulness and internet addiction 8 Mindfulness and online psychological counseling 9 Mindfulness and new media anxiety

New World Mindfulness Donald McCown,Marc S. Micozzi,2011-12-22 Techniques to fit mindfulness into the demands and pace of real life Reveals the medical benefits of mindfulness for stress anxiety and depression as well as for coping with serious illness and major life changes Offers a wide range of techniques including a high speed form of contemplation from the authors extensive experience working with this practice as a healing modality We are all busy and we all long for quiet and connection Yet despite the growing body of evidence supporting the benefits of mindfulness the hectic pace of modern life leaves little time to devote to meditation relaxation and contemplation In New World Mindfulness mindfulness teacher and therapist Donald McCown and physician Marc Micozzi provide techniques to successfully integrate mindfulness into real life so we can rise above the stress of work family and community that can easily pull us out of the moment and into states of tension anxiety or depression Dispelling the two big myths of mindfulness that it is an exotic activity and that it requires you to slow down and find more time the authors present a history of mindfulness in the West from the American Founding Fathers Thoreau and Emerson up to present day leaders in the field such as Jon Kabat Zinn and reveal a high speed form of contemplation ideal for even the busiest of lives Exploring the physiological impact of mindfulness practices for stress anxiety depression and coping with serious illness and major life changes the authors show that mindfulness is not about being silent and alone it can even be practiced as a family or community Not prescribing change but rather working from within this book connects Western no nonsense get it done pragmatism with the yearning for beauty and balance that makes a full life truly fulfilled

Mindfulness Meditation for Everyday Life Jon Kabat-Zinn,1994 Mindfulness is considered the heart of Buddhist meditation But its essence is universal and of deep practical benefit to everyone In Mindfulness Meditation for Everyday Life Jon Kabat Zinn maps out a simple path for cultivating mindfulness in our lives and awakening us to the unique beauty and possibilities of each present moment He shows us how this simple

meditation technique can enable us to be truly in touch with where we already are so that we can be fully aware at all times
