Therapy Techniques For Beginners:

Essential Play Therapy Techniques Charles E. Schaefer, Donna Cangelosi, 2016-01-28 Highly practical and user friendly this book presents 58 play therapy techniques that belong in every child clinician's toolbox. The expert authors draw from multiple theoretical orientations to showcase powerful well established approaches applicable to a broad range of childhood problems. Activities, needed materials and variations of each technique are succinctly described. Of critical importance for today's evidence based practitioner each chapter also includes a historical perspective on the technique at hand, a rationale explaining its therapeutic power and a review of relevant empirical findings. The book enables readers to determine which strategies are appropriate for a particular child or group and rapidly incorporate them into practice. **101**

Favorite Play Therapy Techniques Heidi Kaduson, Charles Schaefer, 2010-07-09 This book is an amazing resource for play therapy techniques. The contributors come from a diverse group including child centered, cognitive behavioral, gestalt, Jungian, psychodynamic and prescriptive play therapy.

Favorite Counseling and Therapy Techniques, Second Edition Howard G. Rosenthal, 2011 In the new edition of this highly popular book, Howard Rosenthal once again brings together a group of prominent therapists who share their insightful pioneering and favorite therapeutic techniques. These therapists include such well known figures as Albert Ellis, Arnold Lazarus, William Glasser, Raymond Corsini and Allen E. Ivey. Many of the classic entries in the previous edition are once again included, some unaltered and others updated, while several new chapters have been added to reflect the newest advancements in the counseling field. For practitioners wondering what methods to use when working with clients and what they can prescribe for them between sessions or for those who simply are interested in gaining insight into the thoughts and minds of such eminent therapists, the more than 50 entries in this text are sure to be both highly useful and exciting reads.
