Bonding Relationships In The Image Of God:

Bonding Donald Joy,1987-04 *Bonding* Donald Marvin Joy,1985 **Marriage at the Crossroads** Aída Besançon Spencer,William David Spencer,Steven Tracy,Celestia Tracy,2010-02-04 Have you ever wondered how egalitarian and complementarian marriages play out differently on a day to day level In this unique book A da and William Spencer and Steve and Celestia Tracy two couples from the differing perspectives of egalitarianism and soft complementarianism share a constructive dialogue about marriage in practice They cover a variety of topics like marriage discipleship headship and submission roles and decision making and intimacy in marriage Also included are responses from three additional cultural frameworks North American Hispanic Korean American and African American Whether you re still working out your views on marriage or have found an approach you re comfortable with this book will help you better understand the two perspectives on the ground level While the theological starting points are different you may be surprised to see the degree of convergence on practical issues as the dialogue unfolds **Risk-Proofing Your Family** Donald M. Joy,1995 **The House That God Built** Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institutionmarriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprintsthe masterplansto determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built* Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the familybut not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so

as to receive His best blessings upon our homes and upon our communities

The Meaning Of Sex Christopher Doyle, MA LPC LCPC, 2018-03-20 In the midst of a culture where sex and gender issues are rampant two common viewpoints exist Unfortunately they are both extreme While there is an effort in the church to minister to the sexually broken many places of worship have adopted a strict ethic that leads to a fear based attitude towards those struggling with sexuality and gender identity This has caused strugglers to feel alienated and wounded from the church On the other hand secular culture has adopted the sexual liberation message If it feels good do it Sadly this idea has permeated the hearts and minds of too many Christians As a result issues such as homosexuality gender identity confusion and sex outside of marriage have become battlegrounds of division among the Body of Christ With all of this discord how do we find the true meaning of sex In *The Meaning of Sex A New Christian Ethos* Christopher Doyle offers a compassionate and bold philosophy on how to love thy neighbor within the confines set forth by our Savior who holds us when we struggle loves us when we fall and celebrates with us when we experience victory When we collectively pursue the wholeness Jesus calls us to the sexual ethics that bind us becomes a higher ethos that unites us Only then as we bare our souls to each other and become vulnerable with our own unique wounds can we meet our struggling brothers and sisters where they are and journey towards emotional wholeness and spiritual maturity *The Meaning of Sex A New Christian Ethos* is a masterful synthesis of Christian theology and the social sciences that has the potential to radically transform our culture in positive ways Michelle A Cretella M D President American College of Pediatricians Christopher Doyle effectively challenges cultural constructs that have led Christians away from the questions that we need to be asking connecting the dots between a biblical narrative of sexuality and what is revealed in nature and through scientific inquiry Professor Carolyn Pela Ph D LMFT Chair Department of Behavioral and Social Sciences Arizona Christian University *Understanding God's Love* Ronald Greib, 1997 Ronald Grieb has undertaken a study of how God is misunderstood and misrepresented showing how false ideas of God neutralize His power and authority and lead people into the worship of false deities of their own manufacture

Women and Men in Ministry Robert Saucy, Judith TenElshof, 2001-05-01 The role of women in the church is a debate that has raged within the church for much of the twentieth century On one side are those who say there is no difference between men and women On the other side are those who severely limit women who want to offer ministry to the church Judith TenElshof and Robert Saucy take the middle approach Believing that the modern views have denied the distinctions between men and women the authors adopt a view called complementarianism TenElshof and Saucy argue that while men and women are equal God has given different roles to each and that these roles rely on each other to be fully effective
