Boogie Woogie Santa Claus

Steve Bergsman

Boogie Woogie Santa Claus:

Boogie Woogie Santa Claus Leon René,1950 **Boogie Woogie Santa Claus** ,2019 **All I Want Is Loving You**

Steve Bergsman,2023-10-30 In *All I Want Is Loving You* Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s These popular performers many of whom graduated out of the big bands of the 1940s impacted popular music in a huge way As the last bastion of traditional pop and the last sirens of swing they undeniably shined in the spotlight Yet these singers fame dimmed relatively quickly with the advent of rock n roll A fortunate few like Doris Day Patti Page Peggy Lee and Debbie Reynolds experienced some of their biggest hits in the late 1950s and Eydie Gorm broke out in the 1960s The luckiest including Dinah Shore and Rosemary Clooney ventured to television with varying degrees of success Others would become major attractions at nightclubs in Las Vegas or like Teresa Brewer shift into the jazz world Though the moment did not last these performers were best selling singers darlings of the disk jockeys and the frenetic heartbeat of fan clubs during their heyday In a companion volume Bergsman has written the history of African American women singers of the same era These Black musicians transitioned more easily as a new form of music rock n roll skyrocketed in popularity In both books Bergsman reintroduces readers to these talented singers offering a thorough look at their work and turning up the volume on their legacy

Record Makers and Breakers John Broven,2011-08-11 This volume is an engaging and exceptional history of the independent rock n roll record industry from its raw regional beginnings in the 1940s with R Marshall Chess of Chess Records Jerry Wexler Ahmet Ertegun and Miriam Bienstock of Atlantic Records Sam Phillips of Sun Records Art Rupe of Specialty Records and many more

What a Difference a Day Makes Steve Bergsman,2023-10-30 In *What a Difference a Day Makes* Women Who Conquered 1950s Music Steve Bergsman highlights the Black female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s Many of the singers of this era became wildly famous and respected and even made it into the Rock n Roll Hall of Fame However there were many others such as Margie Day Helen Humes Nellie Lutcher Jewel King and Savannah Churchill who made one or two great records in the 1950s and then disappeared from the scene The era featured former jazz and blues singers who first came to prominence in the 1940s and others who pioneered early forms of rock n roll In a companion volume Bergsman has written the history of white women singers of the same era Although song styles were parallel the careers of Black and white female singers of the period ran in very different directions as the decade progressed The songs of African American vocalists like Dinah Washington and Etta James were segregated to the R B charts or covered by pop singers in the early and mid 1950s but burst into prominence in the last part of the decade and well into the 1960s White singers on the other hand excelled in the early 1950s but saw their careers decline with the advent of rock music In this volume Bergsman takes an encyclopedic look at both the renowned and the sadly faded stars of the 1950s placing them and their music back in the spotlight

Santa Claus Gerry Bowler,2011-07-27

An entertaining often surprising look at the life of the world's most influential fictional character. He is the embodiment of charity and generosity, a creation of mythology, a tool of clever capitalists. The very idea of him is enduring and powerful. Santa Claus was born in early nineteenth century America but his family tree goes back seven hundred years to Saint Nicholas, patron saint of children. Intervening generations were shaggy and strange whip-wielding menaces to naughty boys and girls. Yet as the raucous outdoor alcohol-fuelled holiday gave way to a more domestic sentimental model, a new kind of gift-bringer was called for: a loveable elf, still judgmental but far less threatening. In this engaging social and cultural history, Gerry Bowler examines the place of Santa Claus in history, literature, advertising and art. He traces his metamorphosis from a beardless youth into a red-suited peddler. He reveals the lesser-known aspects of the gift-bringer's life: Santa's involvement with social and political causes of all stripes; he enlisted on the Union side in the American Civil War; his starring role in the movies and as ad-man for gun makers and insurance companies. And he demolishes the myths surrounding Santa Claus and Coca-Cola. **Santa Claus: A Biography** will stand as the classic work on the long-lived and multifarious Mr Claus.

Sleigh Rides, Jingle Bells, and Silent Nights Ronald D. Lankford, 2013-10-01 When Bing Crosby's *White Christmas* debuted in 1942, no one imagined that a holiday song would top the charts year after year. One of the best-selling singles ever released, it remains on rotation at tree-lighting ceremonies across the country, in crowded shopping malls on Black Friday and at warm diners on lonely Christmas Eve nights. Over the years, other favorites have been added to America's annual playlist, including Elvis Presley's *Blue Christmas*, the King Cole Trio's *The Christmas Song*, Gene Autry's *Rudolph the Red-Nosed Reindeer*, Willie Nelson's *Pretty Paper*, and of course Elmo Patsy's *Grandma Got Run Over by a Reindeer*. Viewing American holiday values through the filter of familiar Christmas songs, Ronald Lankford examines popular culture, consumerism, and the dynamics of the traditional American family. He surveys more than seventy-five years of songs and reveals that the modern American Christmas has carried a complex and sometimes contradictory set of meanings. Interpreting tunes against the backdrop of the eras in which they were first released, he identifies the repeated themes of nostalgia, commerce, holiday blues, carnival, and travesty that underscore so much beloved music. This first full-length analysis of the lyrics, images, and commercial forces inextricably linked to Yuletide music hits the heart of what many Americans think Christmas is or should be.

Music in American Life Jacqueline Edmondson, 2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world. Music has been the cornerstone of popular culture in the United States since the beginning of our nation's history. From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes, our country's musical expressions reflect where we as a people have been as well as our hope for the future. This four-volume encyclopedia examines music's influence on contemporary American life, tracing historical connections over time. *Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories That Shaped Our Culture* demonstrates the symbiotic relationship between this art form and our

society Entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television **Hell-Bent For Music** Wade Hall,2021-12-14 Pee Wee King s birth on February 18 1914 into a Milwaukee working class Polish family named Kuczynski was hardly an indicator that he would grow up to become a pioneer and superstar of country and western music Certainly no one in the Polish German community of his youth could have foreseen his influence on the direction of American popular music or his enduring fame on the stage of the Grand Ole Opry Even Pee Wee King himself is incredulous at the unlikely twists and turns of his life and career Pee Wee King is best remembered today as the co writer of the most popular country music song of all time The Tennessee Waltz He is just as important however for his vital role in expanding the horizons and the market potential of country and western music He took the polka and waltz rhythms of his youth mixed them with the sounds of the big bands of the thirties and forties and flavored it all with the balladry and moods of the Western cowboy He combined this new sound with folk and country traditions rooted in places like Louisville Knoxville and Nashville The result was a smooth listenable danceable up to date sound that has become the most popular form of music in the United States Recipient of numerous awards including induction into both the Songwriters Hall of Fame and the Country Music Hall of Fame Pee Wee King has been one of the most important figures in country music for over sixty years Told in King s own voice and words this biography based on many hours of taped conversations is the first account of King s incredible life and career Featuring a star studded cast of characters from the history of music Eddy Arnold Minnie Pearl Roy Acuff Hank Williams Gene Autry Patti Page and many others this memorable book is a must read for any fan of country music **Billboard** ,1953-12-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Enjoying the Tune of Term: An Emotional Symphony within **Boogie Woogie Santa Claus**

In a world consumed by screens and the ceaseless chatter of fast connection, the melodic elegance and psychological symphony developed by the published term usually diminish into the background, eclipsed by the persistent sound and distractions that permeate our lives. However, set within the pages of **Boogie Woogie Santa Claus** an enchanting fictional prize filled with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that charming masterpiece conducts visitors on an emotional trip, well unraveling the concealed melodies and profound affect resonating within each carefully constructed phrase. Within the depths with this poignant evaluation, we will discover the book is key harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
