Talk Occasional Writing On Literature And Children:

Booktalk Aidan Chambers,1985 This book presents ideas and descriptions of practical teaching experience that will be of invaluable help to everyone interested in literature children and education

The Making of Modern Children's Literature in Britain Lucy Pearson,2016-03-03 Lucy Pearson's lively and engaging book examines British children's literature during the period widely regarded as a second golden age Drawing extensively on archival material Pearson investigates the practical and ideological factors that shaped ideas of good children's literature in Britain with particular attention to children's book publishing Pearson begins with a critical overview of the discourse surrounding children's literature during the 1960s and 1970s summarizing the main critical debates in the context of the broader social conversation that took place around children and childhood The contributions of publishing houses large and small to changing ideas about children's literature become apparent as Pearson explores the careers of two enormously influential children's editors Kaye Webb of Puffin Books and Aidan Chambers of Topliner Macmillan Brilliant as an innovator of highly successful marketing strategies Webb played a key role in defining what were in her words the best in children's books while Chambers work as an editor and critic illustrates the pioneering nature of children's publishing during this period Pearson shows that social investment was a central factor in the formation of this golden age and identifies its legacies in the modern publishing industry both positive and negative

At Arm's Length Mike Cadden,2021-06-28 Literary critics and authors have long argued about the importance or unimportance of an author's relationship to readers What can be said about the rhetorical relationship that exists between author and reader How do authors manipulate character specifically to modulate the emotional appeal of character so a reader will feel empathy awe even delight In *At Arm's Length A Rhetoric of Character in Children's and Young Adult Literature* Mike Cadden takes a rhetorical approach that complements structural affective and cognitive readings The study offers a detailed examination of the ways authorial choice results in emotional invitation Cadden sounds the modulation of characters along a continuum from those larger than life and awe inspiring to the life sized and empathetic down to the pitiable and ridiculous and all those spaces between Cadden examines how authors alternate between holding the young reader at arm's length from and drawing them into emotional intensity This balance and modulation are key to a rhetorical understanding of character in literature film and television for the young Written in accessible language and of interest and use to undergraduates and seasoned critics *At Arm's Length* provides a broad analysis of stories for the young child and young adult in book film and television Throughout Cadden touches on important topics in children's literature studies including the role of safety in children's media as well as character in multicultural and diverse literature In addition to treating traditional works he analyzes special cases forms including picture books verse novels and graphic novels and modes like comedy romance and tragedy
