

Baseball Backstage

Justin Mckinney

Baseball Backstage:

Baseball Backstage George Sullivan, 1986-01-01 Profiles eleven individuals from general manager to clubhouse attendant who play key roles in the day to day activities of the New York Yankees baseball team **Scouting and Scoring**

Christopher J. Phillips, 2019-03-26 An in depth look at the intersection of judgment and statistics in baseball Scouting and scoring are considered fundamentally different ways of ascertaining value in baseball Scouting seems to rely on experience and intuition scoring on performance metrics and statistics In Scouting and Scoring Christopher Phillips rejects these simplistic divisions He shows how both scouts and scorers rely on numbers bureaucracy trust and human labor in order to make sound judgments about the value of baseball players Tracing baseball s story from the nineteenth century to today Phillips explains that the sport was one of the earliest and most consequential fields for the introduction of numerical analysis New technologies and methods of data collection were supposed to enable teams to quantify the drafting and managing of players replacing scouting with scoring But that s not how things turned out Over the decades scouting and scoring started looking increasingly similar Scouts expressed their judgments in highly formulaic ways using numerical grades and scientific instruments to evaluate players Scorers drew on moral judgments depended on human labor to maintain and correct data and designed bureaucratic systems to make statistics appear reliable From the invention of official scorers and Statcast to the creation of the Major League Scouting Bureau the history of baseball reveals the inextricable connections between human expertise and data science A unique consideration of the role of quantitative measurement and human judgment Scouting and Scoring provides an entirely fresh understanding of baseball by showing what the sport reveals about reliable knowledge in the modern world Baseball's Roaring Twenties Ronald T. Waldo, 2017-04-20

Following the 1919 Black Sox scandal baseball needed men willing and able to pump life back into the game during tough times Numerous ballplayers stepped forward and left their mark on the national pastime as it continued to thrive and grow during a decade that became known as the Roaring Twenties a raucous happy time period when a free spirited nature prevailed In Baseball s Roaring Twenties A Decade of Legends Characters and Diamond Adventures Ronald T Waldo recounts the rollicking escapades surrounding a distinctive collection of players managers and umpires that truly personified this era of baseball history Waldo includes a mix of unique stories and amusing tales surrounding baseball greats like Babe Ruth Connie Mack Rabbit Maranville and Casey Stengel alongside less famous diamond performers such as Duster Mails Jay Kirke Jimmy O Connell and Possum Whitted The fans who were every bit as important in helping the game grow during the 20s are also given their due with a chapter of their own From the story of Heinie Mueller unceremoniously pushing his attractive cousin out of sight when he saw manager Branch Rickey approaching to the tale of minor league hurler Augie Prudhomme literally following the sarcastic directive from pilot George Stallings to burn his uniform Baseball s Roaring Twenties provides an entertaining perspective of baseball during this singular decade Amusing and informative this book will be of interest to

baseball fans and historians of all generations Big Data Baseball Travis Sawchik,2015-05-19 Pittsburgh Pirates manager Clint Hurdle was old school and stubborn But after twenty straight losing seasons and his job on the line he was ready to try anything So when he met with GM Neal Huntington in October 2012 they decided to discard everything they knew about the game and instead take on drastic big data strategies Going well beyond the number crunching of Moneyball which used statistics found on the back of baseball cards to identify market inefficiencies the data the Pirates employed was not easily observable They collected millions of data points on pitches and balls in play creating a tome of reports that revealed key insights for how to win more games without spending a dime **Billboard** ,1986-03-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Book Review Digest** ,2007 **Baseball's Union Association** Justin Mckinney,2022-11-11 Hastily formed in 1883 as a rival third major league the Union Association upset the moguls of the baseball world and disrupted the status quo Backed by Henry V Lucas an impetuous 26 year old millionaire from St Louis the UA existed for one chaotic season in 1884 This first full length history of the Union Association tells the captivating story of the league s brief and enigmatic existence Lucas recruited a wild mix of disgruntled stars misfits crooks has beens drunks and the occasional spectator along with a future star or two The result was a bizarre experiment that sowed both turmoil and hope before fading into oblivion **The Batboy** Mike Lupica,2010-03-09 From the 1 New York Times bestselling author of Heat Travel Team and Million Dollar Throw Brian is living every baseball kid s dream he is a batboy for his hometown Major League team Brian believes that it s the perfect thing to bring him and his big leaguer dad closer together And if that weren t enough this is the season that Hank Bishop Brian s baseball hero returns to the Tigers for the comeback of a lifetime The summer couldn t get much better Until Hank Bishop starts to show his true colors and Brian learns that sometimes life throws you a curveball *Live at the Commodore* Aaron Chapman,2015-03-16 Vancouver s Commodore Ballroom is like New York s CBGB s and Los Angeles s Whiskey a Go Go one of the most venerated rock clubs in the world originally built in 1930 it s hosted a who s who of music greats before they made it big The Police The Clash Blondie Talking Heads Nirvana New York Dolls U2 and more recently Lady Gaga and the White Stripes Filled with never before published photographs posters and paraphernalia Live at the Commodore is a visceral energetic portrait of one of the world s great rock venues Aaron Chapman is a musician and journalist and the author of *Liquor Lust and the Law* Cincinnati Magazine ,1972-04 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

Reviewing **Baseball Backstage**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
